RE: Approve Agreement with CDPH for the Childhood Lead Poisoning Prevention Program

RECOMMENDATION AND JUSTIFICATION:
Approve the California Department of Public Health Childhood Lead Poisoning Prevention Program (CLPPP) Agreement No. 20-10531 for Fiscal Years 2020-2023 in an Amount Not to Exceed $213,915; Authorize the Health Officer to Sign the Agreement and Any Other Documents to Secure Funding as Delineated Within the Agreement (Subject to Approval as to Legal Form by County Counsel).

The mission of the CDPH Childhood Lead Poisoning Prevention Branch is to eliminate childhood lead poisoning by identifying and caring for lead-burdened children and preventing environmental exposures to lead.

In 2017 CDPH reached out to Mariposa County to see if we would be interested in participating in this new state program with funding opportunities for three years. The health Department assessed the funding requirements and found that this program could be beneficial to this county.

In 2020 CDPH again reached out to Mariposa County to see if Mariposa County would like to continue participating in this program which will provide funding for the Childhood Lead Poisoning Prevention Program for another three-years.

If the Board chooses not to approve the funding allocation Agreement, the Childhood Lead Poisoning Prevention Program will either require County General Funds or will not be funded.

FINANCIAL IMPACT:
This Childhood Lead Poisoning Prevention Program grant funding was anticipated and included in the Health Division FY2021 budget.
