RESOLUTION - ACTION REQUESTED 2020-727

MEETING: December 15, 2020

TO: The Board of Supervisors

FROM: Mike Healy, Public Works Director

RE: Approve Change Order 2 with Agee Construction for Rehabilitation of Ben Hur Rd

RECOMMENDATION AND JUSTIFICATION:
Approve Change Order 2 with Agee Construction for the Rehabilitation of Ben Hur Rd in the amount of $142,238.77 for a New Not-to-Exceed Amount of $1,044,869.77; and Authorize the Public Works Director to Sign the Change Order.

This project consisted of paving three and one half (3 1/2) miles of Ben Hur Road, from Post Mile Marker (PMM) 15.00 to PMM 18.50, with a 1-1/2-inch leveling course (3/8” HMA), a 1-1/2-inch surface course (1/2” HMA).

This Change Order increases the quantities of asphalt and shoulder backing at the bid item unit prices. The increase in quantities is due to steep drop-offs requiring subsurface stabilization at several edges that were not immediately identifiable when the bid specifications were prepared.

BACKGROUND AND HISTORY OF BOARD ACTIONS:
On August 18, 2020 Resolution 2020-509 the Board authorized the Public Works Director to advertise and award an Agreement for the Rehabilitation Project.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:
Do not approve, the Contractor will not get paid for their work completed.

FINANCIAL IMPACT:
There is no Financial Impact to the County as this Project is funded at the 100% level through the State Transportation Improvement Program (STIP) and the Project is still under budget.
