AGREEMENT FOR BRUSH GRINDING SERVICES AT THE LANDFILL

THIS AGREEMENT ("Agreement") is made and entered into this 13th day of April, 2021, by and between the County of Mariposa, a political subdivision of the State of California, ("County"), and Kroeker, Inc., ("Contractor"), pursuant to the following terms and conditions.

WITNESSETH:

1. TERM

The term of this Agreement shall commence on the date first hereinabove written, and shall continue until all authorized work is approved by the County or June 30, 2021, whichever is earlier.

2. SERVICES

Contractor shall perform brush grinding at the Landfill as described in Exhibit A, “Scope of Work,” which is attached hereto and incorporated herein by reference. Contractor shall provide all staffing and materials necessary to perform the Scope of Work.

3. COMPENSATION

Contractor shall be compensated for services performed in an amount not to exceed $15,000. The County shall pay Contractor within thirty (30) days of receipt of an approved invoice. In the event payments equal the “not to exceed” amount, Contractor shall complete all services required under this Agreement without further compensation or cost reimbursement.

4. INSURANCE

Contractor shall procure and maintain for the duration of the agreement insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the Contractor, its agents, representatives, or employees.

A. MINIMUM SCOPE AND LIMIT OF INSURANCE

Coverage shall be at least as broad as:

(1) Commercial General Liability (CGL): Insurance Services Office (ISO)Form CG 00 01 covering CGL on an “occurrence” basis, including products and completed operations, property damage, bodily injury and personal and advertising injury with limits no less than $2,000,000 per occurrence. If a general aggregate limit applies, either the general aggregate limit
shall apply separately to this project/location (ISO CG 25 03 or 25 04) or the general aggregate limit shall be twice the required occurrence limit.

(2) Automobile Liability: ISO Form Number CA 00 01 covering any auto, (Code 1), or if Contractor has no owned autos, hired (Code 8) and non-owned autos (Code 9), with limits no less than $1,000,000 per accident for bodily injury and property damage.

(3) Workers’ Compensation insurance as required by the State of California, with Statutory Limits, and Employer’s Liability Insurance with limit of no less than $1,000,000 per accident for bodily injury or disease.

If the Contractor maintains broader coverage and/or higher limits than the minimums shown above, the County requires and shall be entitled to the broader coverage and/or higher limits maintained by the Contractor. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the County.

B. OTHER INSURANCE PROVISIONS

The insurance policies are to contain, or be endorsed to contain, the following provision:

(1) Additional Insured Status: The County, its officers, officials, employees, and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the Contractor including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the Contractor’s insurance (at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10 and CG 20 37 forms if a later edition is used).

(2) Primary Coverage: For any claims related to this Agreement, the Contractor’s insurance coverage shall be primary insurance as respects the County, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the County, its officers, officials, employees, or volunteers shall be excess of the Contractor’s insurance and shall not contribute with it.

(3) Notice of Cancellation: Each insurance policy required above shall state that coverage shall not be canceled, except with notice to the County.

(4) Waiver of Subrogation: Contractor hereby grants to County a waiver of any right to subrogation which any insurer of said Contractor may acquire against the County by virtue of the payment of any loss under such insurance. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the County has received a waiver of subrogation endorsement from the insurer.

(5) Deductibles and Self-Insured Retentions: Any deductibles or self-insured retentions must be declared to and approved by the County. The County may require the Contractor to purchase coverage with a lower deductible or retention or provide proof of ability
to pay losses and related investigations, claim administration, and defense expenses within the retention.

(6) Acceptability of Insurers: Insurance is to be placed with insurers with a current A.M. Best’s rating of no less than A: VII, unless otherwise acceptable to the County.

(7) Verification of Coverage: Contractor shall furnish the County with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved by the County before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Contractor’s obligation to provide them. The County reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

(8) Subcontractors: Contractor shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Contractor shall ensure that County is an additional insured on insurance required from subcontractors.

(9) Special Risks or Circumstances: County reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

5. HOLD HARMLESS/INDEMNIFICATION

Contractor shall hold harmless, defend and indemnify County and its officers, employees, agents, and volunteers, from and against any and all liability, loss, damage, expense, costs (including without limitation costs and fees of litigation) of every nature arising out of or in connection with Contractor’s performance of work hereunder or its failure to comply with any of its obligations contained in this Agreement, except such loss or damage which was caused by the sole negligence or willful misconduct of County.

6. INDEPENDENT CONTRACTOR

It is the expressed intention of the parties that Contractor is an independent contractor and not an employee, agent, joint venturer or partner of County. Nothing in this Agreement shall be interpreted or construed as creating or establishing the relationship of employer and employee between County and Contractor or any employee or agent of Contractor. Both parties acknowledge that Contractor is not an employee for state or federal tax purposes. Contractor shall retain the right to perform services for others during the term of this Agreement.

7. PUBLIC EMPLOYEES RETIREMENT SYSTEM (CALPERS)

In the event that Contractor or any employee, agent, or subcontractor of Contractor providing services under this Agreement is determined by a court of competent jurisdiction or the Public Employees Retirement System (CalPERS) to be eligible for enrollment in CalPERS as an employee of the County, Contractor shall indemnify, defend, and hold harmless County for the payment of any employee and/or employer contributions for CalPERS benefits on behalf of
Contractor or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of County.

8. STATE AND FEDERAL TAXES

As Contractor is not County’s employee, Contractor is responsible for paying all required state and federal taxes. In particular:

a. County will not withhold FICA (Social Security) from Contractor’s payments;
b. County will not make state or federal unemployment insurance contributions on behalf of Contractor;
c. County will not withhold state or federal income tax from payment to Contractor;
d. County will not make disability insurance contributions on behalf of Contractor;
e. County will not obtain workers’ compensation insurance on behalf of Contractor.

9. ASSIGNMENT

It is understood and agreed that this Agreement contemplates personal performance by the Contractor and is based upon a determination of its unique personal competence and experience and upon its specialized personal knowledge. Assignments of any or all rights, duties or obligations of the Contractor under this Agreement will be permitted only with the express written consent of the County.

12. PUBLIC RECORDS ACT

14. ENFORCEABILITY AND SEVERABILITY

The invalidity or enforceability of any term or provisions of this Agreement shall not, unless otherwise specified, affect the validity or enforceability of any other term or provision, which shall remain in full force and effect.

15. TERMINATION AND RIGHTS UPON TERMINATION

A. This Agreement may be terminated upon mutual written consent of the parties, or as a remedy available at law or in equity. In the event of the termination of this Agreement, Contractor shall immediately be paid all fees earned as of the effective date of termination.

B. Either party may terminate this Agreement for convenience upon Thirty (30) calendar days’ written notice to the other party. Upon termination for convenience, Contractor shall be entitled to compensation for services performed acceptably up to the effective date of termination, as set forth in Exhibit B.

C. Should Contractor default in the performance of this Agreement or materially breach any of its provisions, County, at its option, may terminate this Agreement by giving written notification to Contractor. The termination date shall be the effective date of the notice. For the purposes of this subsection, default or material breach of this Agreement shall include, but not be limited to, any of the following: failure to perform required services in a timely manner, willful destruction of County property, dishonesty, or theft.

D. If County terminates this Agreement for default or material breach, then Contractor shall be liable for any reasonable costs in excess of the Agreement amount incurred by County in order to complete Exhibit A, “Scope of Work.” In addition, Contractor understands and agrees that County may, in County’s sole discretion, refuse to pay Contractor.
for that portion of Contractor’s services which were performed by Contractor prior to the
termination date and which remain unacceptable to County as of the termination date.

16. NO WAIVER

The failure to exercise any right to enforce any remedy contained in this Agreement shall not
operate as to be construed to be a waiver or relinquishment of the exercise of such right or
remedy, or of any other right or remedy herein contained.

17. DISPUTES

Should it become necessary for a party to this Agreement to bring an action in connection with
this Agreement, the prevailing party in any claim or action shall be entitled to reimbursement for
all expenses so incurred, including reasonable attorney’s fees.

It is agreed by the parties hereto that unless otherwise expressly waived by them, any action
brought to enforce any of the provisions hereof or for declaratory relief hereunder shall be filed
and remain in a court of competent jurisdiction in the County of Mariposa, State of California.

18. CAPTIONS

The captions of this Agreement are for convenience in reference only and the words contained
therein shall in no way be held to explain, modify, amplify or aid in the interpretation,
construction or meaning of the provisions of this Agreement.

19. NUMBER AND GENDER

In this Agreement, the neutral gender includes the feminine and masculine, the singular includes
the plural, and the word “person” includes corporations, partnerships, firms or associations,
wherever the context so requires.

20. MANDATORY AND PERMISSIVE

“Shall” is mandatory. “May” is permissive.

21. SUCCESSORS AND ASSIGNS

All representations, covenants and warranties specifically set forth in this Agreement, by or on
behalf of, or for the benefit of any or all of the parties hereto, shall be binding upon and inure to
the benefit of such party, its successors and assigns.

22. COUNTERPARTS

This Agreement may be executed simultaneously and in several counterparts, each of which shall
be deemed an original, but which together shall constitute one and the same instrument.
23. OTHER DOCUMENTS

The parties agree that they shall cooperate in good faith to accomplish the object of this Agreement and, to that end, agree to execute and deliver such other and further instruments and documents as may be necessary and convenient to the fulfillment of these purposes.

24. CONTROLLING LAW

The validity, interpretation and performance of this Agreement shall be controlled by and construed under the laws of the State of California.

25. AUTHORITY

Each party and each party's signatory warrant and represent that each has full authority and capacity to enter into this Agreement in accordance with all requirements of law. 26. NEGOTIATED AGREEMENT

This Agreement has been arrived at through negotiation between the parties. Neither party is to be deemed the party which prepared this Agreement within the meaning of California Civil Code section 1654. Each party also warrants and represents that it has received independent legal advice from its attorney with respect to the matters set forth in this Agreement and the rights and duties arising out of this Agreement, or that such party willingly foregoes any such consultation.

27. NO RELIANCE ON REPRESENTATIONS

Each party warrants and represents that it is not relying and has not relied upon any representation or statement made by the other party with respect to the facts involved or its rights or duties. Contractor hereby warrants that all work shall be performed in accordance with generally accepted professional practices and standards as well as the requirements of applicable federal, state and local laws, it being understood that acceptance of Contractor's work by County shall not operate as a waiver or release.

29. FUNDING AVAILABILITY

It is mutually agreed that if the County budget of the current fiscal year and/or any subsequent fiscal years covered under this Agreement does not appropriate sufficient funds for this
Agreement, this Agreement shall terminate and be of no further force and effect upon the day notice is provided by County to Contractor of such event. Upon termination of this Agreement, the County shall have no liability to pay any funds whatsoever to Contractor or to furnish any other considerations under this Agreement except for services rendered prior to such termination and Contractor shall not be obligated to perform any provisions of this Agreement. Contractor’s assumption of risk of possible non-appropriation is part of the consideration for this Agreement. County budget decisions are subject to the discretion of the Board of Supervisors.

If funding for any fiscal year is reduced or deleted by the County budget for purposes of this Agreement, the County shall have the option to either cancel this Agreement with no liability occurring to the County, except County must reimburse Contractor for services rendered prior to such reduction or modification of the County budget, or offer an Agreement amendment to Contractor to reflect the reduced amount.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the day and year first written above.
