4. RECEIPT OF COPY. YOU ACKNOWLEDGE THAT YOU HAVE RECEIVED A COMPLETED COPY OF THIS AGREEMENT. ALL OF THE TERMS ON THE AGREEMENT AND ALL ATTACHMENTS ARE PART OF THIS AGREEMENT. READ THEM BEFORE YOU SIGN BELOW.

5. DISCLAIMER OF LIABILITY. WE DO NOT WARRANT THAT THE SYSTEM WILL ALWAYS DETECT OR HELP PREVENT ANY BURGLARY, FIRE, HOLD-UP OR OTHER SUCH EVENT. WE DO NOT WARRANT THAT THE SYSTEM CANNOT BE DEFEATED OR BY-PASSED OR THAT IT WILL ALWAYS OPERATE. YOU ACKNOWLEDGE AND AGREE THAT WE HAVE MADE NO REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, AS TO ANY MATTER WHATSOEVER, INCLUDING, WITHOUT LIMITATION, THE CONDITION OF THE EQUIPMENT, ITS MERCHANTABILITY OR ITS FITNESS FOR ANY PARTICULAR PURPOSE, NOR HAVE YOU RELIED ON ANY REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED. SECTIONS 16 AND 17 ON THE AGREEMENT LIMIT OUR LIABILITY TO $1,000.00 OR SIX (6) TIMES THE MONTHLY SERVICES FEE IF YOU OR ANYONE ELSE SUFFERS ANY HARM (DAMAGE OR LOSS OF PROPERTY, PERSONAL INJURY, OR DEATH) BECAUSE THE SYSTEM FAILED TO OPERATE PROPERLY OR WE WERE CARELESS OR ACTED IMPROPERLY. YOU HAVE HAD THE OPPORTUNITY TO TALK TO OUR SECURITY CONSULTANT ABOUT THIS LIMITATION AND YOU KNOW THAT YOU MAY OBTAIN A HIGHER LEVEL OF PROTECTION THROUGH OUR LONG-TERM WARRANTY SERVICE OR THROUGH AN INDEPENDENT INSURANCE COMPANY ...

6. INSTALLATION OF THE SYSTEM. You will permit us to install the System during our normal business hours and you will give us uninterrupted access to your premises. You warrant that you have full authority from the owner and/or other person in control of the premises to permit the installation and operation of the System under all conditions set forth herein. You have approved the locations of where the control panel, audible devices, cameras, monitors, and all devices will be installed. If the alarm system includes an exterior audible bell, horn, or siren, it is designed to shut off after sounding for not more than five (5) minutes. You will provide 24 hour - 110-volt electrical service, including non-switched electrical outlets for the System's transmitters and other electrical needs, and will make repairs to the premises (such as fixing loose doors, broken windows, sprinkler shut-off valves, etc.) that we deem necessary reasonably to facilitate the installation and operation of the System. You will provide adequate lighting for any CCTV system, and otherwise provide the proper environment for the Systems as we may reasonably request. If telephone utility services or cables are necessary for the installation and operation of the System, you will provide them at your expense. We are not responsible if the installation is delayed because of bad weather, labor disputes, acts of God or other reasons beyond our control.

You have the affirmative duty to inform us, prior to beginning of installation, of every location at the premises where we should not (because of concealed obstructions or hazards such as pipes, wires or asbestos) enter or drill holes. Unless so notified, we will determine where to drill holes and place equipment. We will take reasonable precautions to avoid concealed obstructions, but have no means of determining with certainty if they exist. Any costs incurred to repair pipes, wires or other obstructions, and any resulting damaged walls, ceiling, floors or furnishings shall be your sole expense and responsibility. If asbestos or other health hazardous material is encountered during installation, we will cease work until you, at your sole expense, obtained clearance from a licensed asbestos removal or hazardous material contractor that continuation of work will not pose any danger to our personnel. In no case will we be responsible for or assume any liability for asbestos or other health hazardous material found during installation or repair.

SYSTEM WILL ALWAYS DETECT, OR HELP PREVENT, ANY BURGLARY, INTRUSION, FIRE, HOLD-UP OR OTHER SUCH EVENT. WE DO NOT WARRANT THAT THE SYSTEM CANNOT BE DEFENDED, BYPASSED OR COMPROMISED OR THAT IT WILL ALWAYS OPERATE. THIS WARRANTY DOES NOT COVER REPAIRS THAT ARE NECESSARY DUE TO THE ACTS OF GOD, YOUR FAILURE TO PROPERLY USE THE SYSTEM, OR IF SOMEONE OTHER THAN US ATTEMPTS TO REPAIR OR CHANGE THE SYSTEM, OR ANY OTHER REASON EXCEPT A DEFECT IN THE EQUIPMENT OR OUR INSTALLATION. ALL IMPLIED WARRANTIES ARE LIMITED IN DURATION TO THE TERM OF THIS EXPRESSED LIMITED WARRANTY. WE ARE NOT LIABLE FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES. YOU AGREE THAT THIS IS OUR ONLY WARRANTY AND WE HAVE GIVEN YOU NO OTHER WARRANTY FOR THE SYSTEM.

d. STATE LAW: SOME STATES DO NOT ALLOW THE EXCLUSION OR THE LIMITATION OF CONSEQUENTIAL OR INCIDENTAL DAMAGES, OR A LIMITATION ON THE DURATION OF IMPLIED WARRANTIES, SO THE ABOVE LIMITATIONS OR EXCLUSIONS MAY NOT APPLY TO YOU. THE WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS AND YOU MAY ALSO HAVE OTHER RIGHTS WHICH MAY VARY FROM STATE TO STATE.

8. Camera Maintenance. Camera Maintenance includes daily health alerts to be sent to Company if one of the cameras loses its picture or if the hard drive on the recorder fails. Subscriber is responsible for maintaining high speed internet connection. Once per month, if remote access is made available by client and conditions permit, Hoffman will remotely attempt to determine camera system is functioning as intended by using any combination of methods such as checking: system is accessible, recorded video, live video, camera views, views obscured, or other processes to attain general system health. Camera maintenance also includes an annual camera cleaning to be scheduled by the client. Finally, it covers all normal wear and tear on the equipment so if any camera or the recorder fails, we will replace it at no cost to subscriber. Any repair work necessary will be done during normal business hours.

9. ALARM SYSTEM MONITORING SERVICE. If you have subscribed to monitoring service, we shall connect the alarm system(s) to our monitoring facility (the “Center”) and monitoring will be provided in accordance with our Agreement. We will charge you directly for monitoring which will be billed to you by us pursuant to this Agreement. When a burglary, fire, duress, medical or other alarm signal from the System is received in the Center, we will call your premises first, followed by the first person designated on Subscriber’s Emergency Notification List, and then try to telephone the proper police or fire department and the other persons designated on Subscriber’s Emergency Notification List.

HOFFMAN AND THE CENTER DO NOT PROVIDE MEDICAL SERVICES OR MEDICAL ADVICE. When a non-emergency signal is received (e.g. temperature or pump water flow sensors), we will attempt to contact the premises and then the first available person on your Subscriber information form but will not notify emergency authorities. We reserve the right to verify all alarm signals by using the two-way voice or visual devices, if one has been installed, calling the premises or otherwise before notifying the government agencies. We may choose not to notify the government agencies if we have reason to believe that an emergency condition does not exist. We and you are obligated to comply with all applicable laws and regulations requiring the notification of governmental agencies for such alarms. You must give us all necessary information to ensure that we can respond to all alarm signals in a timely manner and that we and the government agencies can verify the identity of all persons calling for emergency assistance. You are responsible for ensuring that the System is set according to the procedures established by Hoffman to avoid generating false alarm conditions. The use of DSL, VoIP, BPL or other broadband telephone service may prevent the System from transmitting alarm signals to the monitoring facility and/or interfere with the telephone line-seizure feature of the alarm system, after it is installed or anytime in the future. Such services should be installed on a second telephone line. If your telephone is out of order, placed on vacation status or otherwise not working, signals cannot be transmitted and we will not know of the telephone service problem. If an Internet, cellular or radio system is used for transmitting alarm signals from your premises to the Center, you acknowledge that the use of such system may be controlled by the California Public Utilities Commission and Federal Communications Commission and changes in the laws, regulations, and policies may necessitate our discontinuing or changing such transmission facilities at our option. Communications systems may be impaired or interrupted by atmospheric conditions, including interruptions caused by an Internet provider, electrical storms, power failures or other outages, conditions and events beyond our control. You may be required to execute an additional agreement for Internet, cellular or radio transmission service. You agree to reimburse us for any costs we may incur to reprogram the communications device of the alarm system because of area code changes or other dialing pattern changes. The use of DSL, VoIP, BPL or other broadband telephone service may prevent the System from transmitting alarm signals to the monitoring facility and interfere with the telephone line-seizure feature of the alarm system, after it is installed or anytime in the future. Such services should be installed on a telephone number that is not used for alarm signal transmission. You agree to notify us if you have installed or intend to install DSL, VoIP, BPL or other broadband service.

IMMEDIATELY AFTER THE INSTALLATION OF DSL, VOIP, BPL OR OTHER BROADBAND SERVICE YOU MUST TEST THE SYSTEM’S SIGNAL TRANSMISSION WITH THE CENTER.

11. FALSE ALARMS. You agree that you and others using the System will use it carefully so as to avoid causing false alarms. Severe weather or other forces beyond our control can cause false alarms. If we receive too many false alarms, that will constitute a breach of contract by you, and we may cancel monitoring and service and seek to recover damages. You will pay any false alarm fine, penalty or fee that is charged against you, and if a false alarm fine, penalty or fee is charged to us by any governmental agency, you will pay for the charge.

12. AFTER WARRANTY REPAIR SERVICE. At the end of our one (1) year limited warranty we will continue to repair the System and provide equipment on a time and material basis. You will pay our standard parts and labor charges for all repair calls and supplies. There will be a one (1) hour minimum visit charge for each repair call. See Section 7(b) of our Limited Warranty on how to get repair service.

13. SUBSCRIBER’S DUTIES. You will instruct all other persons who may use the System on its proper testing and use. You will test the alarm system's protective devices and send test signals to the Center in accordance with our instructions at least monthly. If the security alarm system includes space protection (e.g., infrared, photo beams or other such detectors) you will turn off, control, relocate or remove all things such as air conditioning systems, inventory, furniture, heaters, and other such devices that might interfere with such devices when they are turned off. If a problem in the System occurs you will notify us. You will call upon us to give us an emergency information form which will include the name, telephone number and relationship of each person we may call in the event we believe there is an emergency at your premises, and other information we may require. In the case of a fire alarm or sprinkler system, you will notify us in writing of any change in your fire rating bureau or agency. You will notify Hoffman in writing of any changes in the information set forth on the Emergency Notification List. You agree that we may disclose the information regarding your system and on the Emergency Notification List to any governmental agency having jurisdiction over the use and operation of the System, without notice to you. You are solely responsible for (i) issuing and controlling access control cards and (ii) providing and maintaining video for CCTV systems and we do not provide film developing or video editing services.
14. SUSPENSION OR CANCELLATION OF THIS AGREEMENT. You understand that you may stop or suspend monitoring and other services if: (i) strikes, severe weather, earthquakes or other such events beyond our control affect the operation of Hoffman or so severely damage your premises that continuing service would be impractical; (ii) there is an interruption of an unavoidable utility affecting the services; (iii) you do not pay the service charge due to us, after we have given you ten days notice that we are canceling service because of non-payment; (iv) we are unable to provide service because of some action or ruling by any governmental authority; and/or (v) you become a debtor in a bankruptcy proceeding. If service is canceled or this Agreement expires or is terminated for any reason, you authorize us to remotely disconnect the alarm system communicator from our facility and/or enter your premises to disconnect the alarm system from our monitoring equipment and remove our signs, decals and communications software from your System and premises. If service is suspended because you have failed to pay the charges set forth herein, and you ask us to reactivate the System, you will pay, in advance, our then prevailing re-connection fee. YOU UNDERSTAND THAT THE ALARM SYSTEM MAY NOT WORK WITH EQUIPMENT USED BY OTHER ALARM COMPANIES OR MONITORING CENTERS.

15. TERMINATION, DEFAULT; TITLE TO SYSTEM. In the event you are not the owner of the premises, you warrant that you have obtained the written consent of the owner for the installation and removal of the System. You authorize us to investigate your credit record, and to report your payment performance under this Agreement to credit agencies and credit reporting services. If you fail to make any payment when due we may discontinue installation, monitoring and service, terminate this Agreement and recover all damages to which we are entitled including, without limitation, the value of the work performed and the amount due to us for the unexpired term of the Agreement, including loss of profits. In addition we may impose a late charge on all payments for services that are more than ten (10) days past due, in the amount equal to ten dollars ($10.00) or the maximum amount permitted by California law whichever is less. In no event shall Hoffman's failure to enforce this provision at any time be deemed to be a waiver by Hoffman to assert its rights created hereunder or to assess the late charge in the future. Unless you purchased the System from us (and the first box under Section 1 is checked), you acknowledge and agree to the following: (A) This Agreement is a service agreement and THE ENTIRE SYSTEM SHALL AT ALL TIMES BELONG TO AND REMAIN THE PROPERTY OF HOFFMAN. (B) You will not damage, encumber or dispose of the System or permit the System to be damaged, encumbered, taken from the premises, tampered with or repaired by any but our service personnel. (C) In the event of loss or damage to the System or any part thereof, you agree to pay us the System’s reasonable replacement value or the cost of repair as the case may be. At the expiration of this Agreement or in the event of your default, you authorize us to enter your premises and to remove all or any portion of the System. (D) We may elect to abandon all or any portion of the System. (E) Removal of the System shall be without prejudice to the collection of any and all sums due under the entire contract or extensions or renewals thereof, including, but not limited to, recovery of our loss of profit for any unexpired term of this Agreement. (F) You will return the System to us in good condition, reasonable wear and tear excepted. (G) You agree that installation of the System does not create a fixture to your premises. In the event you are not the owner of the premises, you warrant that you have obtained the written consent of the owner for the removal of the System. (H) Thereafter we may sell or otherwise dispose of the System in any manner that we see fit.

16. ASSIGNNEES AND SUBCONTRACTORS. We may transfer or assign this Agreement to any other security company, financial institution or other entity. Upon an assignment to another security company, Hoffman will be relieved of any further obligations hereunder. You may not transfer this Agreement to someone else (including someone who purchases or rents your premises) unless we approve the transfer in writing. We may use subcontractors to provide installation, repair, monitoring and other services. This Agreement, and particularly sections 16 and 17 shall apply to the work and services they provide, and shall apply to them and protect our assignees and subcontractors in the same manner as it applies to and protects us.

17. CHANGES TO THE SYSTEM. If you or any governmental agency or insurance interest wants us to change the System described herein, or change it after it is installed, you agree to pay our standard parts and labor charges for such changes. YOU AGREE THAT YOU HAVE CHOSEN THE SYSTEM AND YOU UNDERSTAND THAT ADDITIONAL OR DIFFERENT PROTECTION IS AVAILABLE FOR A HIGHER PRICE.

18. HOFFMAN IS NOT AN INSURER; LIQUIDATED DAMAGES; LIMITATION OF LIABILITY. You understand that (a) we are not an insurer of your property or the personal safety of persons on your premises; (b) you should provide any insurance on your premises and its contents; (c) the amount you pay to us is based only on the value of the System and services we provide and not on the value of your premises or its contents; (d) alarm systems and our monitoring and repair service may not always operate properly for various reasons; (e) it is difficult to determine in advance the value of the property that might be lost, stolen or destroyed if the System or its repair system fails to operate properly; (f) a CCTV or access control system may not detect or prevent an unauthorized intrusion on the premises or unauthorized activities (including criminal conduct) by persons on the premises; (g) there are no guarantees that the System can ensure the personal safety of persons in your premises; (b) you should provide any insurance on your premises and its contents; (c) the amount you pay to us is based only on the value of the System and services we provide and not on the value of your premises or its contents; (d) alarm systems and our monitoring and repair service may not always operate properly for various reasons; (e) it is difficult to determine in advance the value of the property that might be lost, stolen or destroyed if the System or its repair system fails to operate properly; (f) a CCTV or access control system may not detect or prevent an unauthorized intrusion on the premises or unauthorized activities (including criminal conduct) by persons on the premises; (g) there are no guarantees that the System can ensure the personal safety of persons in your premises; (h) it is difficult to determine in advance how fast the police or fire department or others would respond to an alarm signal; and (i) it is difficult to determine in advance what portion, if any, of any property loss, personal injury or death would be proximately caused by our failure to perform, our negligence, or a failure of the System. Therefore you agree that, even if a court decides that Hoffman's breach of this Agreement, a failure of the System, or our negligence, or a failure of the System, installation, monitoring, repair service, or other services caused or allowed any harm or damage (whether property damage, personal injury or death) to you or anyone in your premises, you agree that our liability shall be limited to the lesser of $250.00 or six (6) times the quarterly services fee, as liquidated damages and not as a penalty, and this shall be your only remedy regardless of what legal theory (including without limitation, negligence, breach of contract, breach of warranty or product liability) is used to determine that we were liable for the injury or loss. YOU MAY OBTAIN A LIMITATION OF LIABILITY. If you wish, you may obtain from us a limitation of liability for an additional periodic charge. If you elect this option, we will attach a rider to this Agreement which will set forth the amount of the limitation of liability and the amount of the additional charge. Agreeing to the higher limitation of liability does not affect the way we operate or the amount we charge.

19. THIRD PARTY INDEMNIFICATION AND SUBROGATION. If anyone other than you, asks us to pay for any harm or damages (including property damage, personal injury or death) connected with or resulting from (i) Hoffman's breach of this Agreement or a failure of the System or services, (ii) our negligence, (iii) any other improper or careless activity of ours in providing the System or services or (iv) a claim for indemnification or contribution, you will pay us (a) any amount which a court orders us to pay or which we reasonably agree to pay, and (b) the amount of our reasonable attorneys’ fees and any other losses or costs that we may pay in connection with the harm or damages. Your obligation to pay us for such harm or damages shall not apply if the harm or damages happen while one of our employees or subcontractors is in or about your premises, and that employee or subcontractor solely causes such harm or damages. Unless prohibited by your property insurance policy, you agree to release us from any claims of any parties suing through your authority or in your name, such as your insurance company, and you agree to defend us against any such suit. You will notify your insurance company of this release.

20. LIMITATION ON LAWSUITS; REFERENCE. Both Hoffman and Subscriber agree that no law suit or any other legal proceeding connected with this Agreement shall be brought or filed more than two (2) years after the incident giving rise to the claim occurred. Any controversy, dispute, or claim between the parties arising out of or relating to this Agreement, (other than actions brought by Hoffman in small claims court to collect amounts due under this Agreement) will be settled by a reference proceeding in Merced, California, in accordance with the provisions of Section 638, et seq. of the California Code of Civil Procedure, or their successor section, which shall constitute the exclusive remedy for the resolution of any controversy, dispute, or claim concerning this Agreement, including whether such controversy, dispute, or claim is subject to the reference proceeding. The referee shall be appointed to sit as a temporary Judge with all the powers of a temporary Judge authorized by law. In the event that the enabling Legislation, which provides for the appointment of a referee is repealed and no successor statute is enacted, any dispute between the parties that would otherwise be determined by a reference procedure herein, will be resolved and determined by binding arbitration. That arbitration will be conducted by a retired Judge of the Superior Court in accordance with Section 1280 to 1294.2 of the California Code of Civil Procedure, as amended from time to time. The arbitrator shall not have the power to commit errors of law or legal reasoning, and the award may be vacated or corrected on appeal to a court of competent jurisdiction for any such error. The arbitrator shall allocate all the costs of the arbitration, including fees of the arbitrator and reasonable attorney’s fees of the prevailing party against the party who did not prevail. Judgment on the award may be entered in any court having jurisdiction.

21. INCREASE IN SERVICES FEE. Notwithstanding any other term or condition set forth herein, after the expiration of one (1) year from the date of completion of installation, we may at any time and from time to time, but not more than once in any twelve (12) month period, increase the monthly services fee by a percentage not to exceed ten percent (10%) of the monthly services fee in effect immediately prior to the effective date of the increase, by giving you thirty (30) days prior written notice of the amount of the increase and you agree to pay the same.

22. INFORMATION AND PRIVACY. You understand and agree that in conjunction with employee training, quality control and the provision of services, we may monitor, record, store and, if necessary, disclose to third parties video and audio related to monitored activity at your location, as well as conversations with you, emergency services providers, and law enforcement personnel. You consent to such recording, storage, and disclosure on behalf of yourself and any minor children for whom you are the parent or legal guardian. You further agree and represent that you have or will have obtained consent to such recording, storage, and disclosure from any other individuals who live or work at, or are otherwise present at, your premises.
otherwise frequent, your premises, including consent on behalf of any minor children for whom such individuals are the parents or legal guardians. Further, you understand that privacy cannot be guaranteed on telephone, cable and computer systems, and we shall not be liable to you for any claims, loss, damages or costs which may result from a lack of privacy experienced. You consent to us (i) using information about you and your location (collectively, “information”) to administer services, offer you new products or services, enforce the terms of this agreement, prevent fraud and respond to regulatory and legal requirements, (ii) provide information, including information contained on your emergency information to law enforcement or fire service personnel for the purpose of providing services hereunder or in response to a subpoena or other such legal process, and (iii) using and sharing aggregate customer information and statistics that do not include information that identifies you personally. Except as required to provide the services that you have selected, we will not monitor your location. You further acknowledge and assume risks related to data security breaches and cybercrime, as a result of which information about you and your premises may be compromised, intercepted and/or used by third parties in a way that would compromise the security of your information, your safety and/or privacy, and the privacy and safety of persons and property on your premises.

23. ENTIRE AGREEMENT. The entire and only agreement between you and Hoffman is written in this Agreement. They replace any earlier oral or written understandings or agreements. They may only be changed by a written agreement signed by you and us. THEY MAY NOT BE CHANGED BY ANY ORAL STATEMENTS MADE BY OUR SALES AGENT. If you have given or ever give us a purchase order for the System or service which provides for different terms than this Agreement, this Agreement will govern and be controlling. If any provision of this Agreement is found to be invalid or illegal by a court, the balance of the Agreement shall remain in force. You agree that this Agreement is performed in the state of California and shall be governed by the laws of California.

24. OUR LICENSES. ALARM COMPANY OPERATORS ARE LICENSED AND REGULATED BY THE BUREAU OF SECURITY AND INVESTIGATIVE SERVICES, DEPARTMENT OF CONSUMER AFFAIRS, SACRAMENTO, CALIFORNIA 95814. We reserve the right to verify all alarm signals by using the two-way voice or visual devices, if one has been installed, calling the premises or otherwise before notifying the government agencies. We may choose not to notify the government agencies if we have reason to believe that an emergency condition does not exist. We and you are obligated to comply with all notification and response requirements imposed by governmental agencies having jurisdiction over your system. We may discontinue or change any particular response service or procedure in the event we believe there is an emergency at your premises and you have not made an emergency condition before responding to a request for assistance, you agree to subscribe to such service if provided by us, or otherwise comply with such requirements. If Hoffman is providing Video Verification, standard dispatching procedures shall apply on all accounts with Video.

11. FALSE ALARMS. You agree that you and others using the System will use it carefully so as to avoid causing false alarms. Severe weather or other forces beyond our control can cause false alarms. If we receive too many false alarms, that will constitute a breach of contract by you, and we may cancel monitoring and service and seek to recover damages. You will pay any false alarm fine, penalty or fee that is charged against you, and if a false alarm fine, penalty or fee is charged to us by any governmental agency, you will pay for the charge.

12. AFTER WARRANTY REPAIR SERVICE. At the end of our one (1) year limited warranty we will continue to repair the System and provide equipment on a time and material basis. You will pay our standard parts and labor charges for all repair calls and supplies. There will be a one (1) hour minimum visit charge for each repair call. See Section 7(b) of our Limited Warranty on how to get repair service. FOR SYSTEMS PROVIDED TO YOU BY HOFFMAN, EXCEPT AS LIMITED BELOW, WE SHALL PROVIDE REPAIR SERVICE FOR THE SYSTEM INCLUDING ALL PARTS AND LABOR. ALL REPAIRS SHALL BE PERFORMED DURING NORMAL BUSINESS HOURS, WHICH ARE 8:00 AM TO 4:00 PM, MONDAY THROUGH FRIDAY, EXCEPT HOLIDAYS WE OBSERVE, AND WILL BE PERFORMED AS SOON AS REASONABLY POSSIBLE AFTER RECEIPT OF NOTICE FROM YOU. EMERGENCY SERVICE WILL BE PROVIDED AT OTHER TIMES IN OUR PREVAILING SERVICE RATES. You agree to pay for all parts and labor necessary to repair the System as a result of damage to the System caused by accident, your misuse or modification of the System, acts of God, or attempted repair service performed by anyone other than Company or our designee and charges for such repairs will be based on our then existing labor and material rates and will include a minimum one (1) hour visit charge and will be due and payable upon completion of the work. YOU AGREE TO PAY FOR ANY DISPOSABLE ITEMS SUCH AS ACCESS CONTROL CARDS, VIDEO HARDDRIVES AND BATTERIES WHICH WE WILL PROVIDE TO YOU AND YOU AGREE TO PAY FOR AT OUR PREVAILING RATES. If you fail to pay for such charges upon completion of the work, we may terminate this Agreement. For fire alarm or sprinkler supervisory systems we will provide inspection and testing service as set forth on the Equipment description. Inspections and tests will be performed only during our normal business hours described above. We have no obligation to repair equipment to which the System is attached (e.g., a sprinkler system or access control system). You agree to reimburse us for any costs we may incur to reprogram the communications device of the alarm system because of area code changes or other dialing pattern changes. The use of DSL, VoIP, BPL or other broadband telephone service may prevent the System from transmitting alarm signals to the monitoring facility and/or interfere with the telephone line-seizure feature of the alarm system, after it is installed or anytime in the future. Such services should be installed on a telephone line that is not used for alarm signal transmission. You agree to notify us if you have installed or intend to install DSL, VoIP, BPL or other broadband service. IMMEDIATELY AFTER THE INSTALLATION OF DSL, VOIP, BPL OR OTHER BROADBAND SERVICE YOU MUST TEST THE SYSTEM’S SIGNAL TRANSMISSION WITH THE CENTER.

13. SUBSCRIBER’S DUTIES. You will instruct all other persons who may use the System on its proper testing and use. You will test the alarm system’s protective devices and send test signals to the Center in accordance with our instructions at least monthly. If the security alarm system includes space protection (e.g., infrared, photo beams or other such detectors) you will turn off, control, relocate or remove all things such as air conditioning systems, inventory, furniture, heaters, and other such devices that might interfere with such devices when they are turned off. If a problem in the System occurs you will notify us. You will complete and give us an emergency information form which will include the name, telephone number and relationship of each person we may call in the event we believe there is an emergency at your premises, and other information we may require. In the case of a fire alarm or sprinkler system, you will notify us in writing of any change in your fire rating bureau or agency. You will notify Hoffman in writing of any changes in the information set forth on the Emergency Notification List. You agree that we may disclose the information regarding your system and on the Emergency Notification List to any governmental agency having jurisdiction over the use and operation of the System, without notice to you. You are solely responsible for (i) issuing and controlling access control cards and (ii) providing and maintaining video for CCTV systems and we do not provide film developing or video editing services.
14. SUSPENSION OR CANCELLATION OF THIS AGREEMENT. You understand that you may stop or suspend monitoring and other services if: (i) strikes, severe weather, earthquakes or other such events beyond our control affect the operation of Hoffman or so severely damage your premises that continuing service would be impractical; (ii) there is an interruption of the availability of the alarm system and our monitoring facilities; (iii) you do not pay the service charge due to us, after we have given you ten days notice that we are canceling service because of non-payment; (iv) we are unable to provide service because of some action or ruling by any governmental authority; and/or (v) you become a debtor in a bankruptcy proceeding. If service is canceled or this Agreement expires or is terminated for any reason, you authorize us to remotely disconnect the alarm system communicator from our facility and/or enter your premises to disconnect the alarm system from our monitoring equipment and remove our signs, decals and communications software from your System and premises. If service is suspended because you have failed to pay the charges set forth herein, and you ask us to reactivate the System, you will pay, in advance, our then prevailing re-connection fee. YOU UNDERSTAND THAT THE ALARM SYSTEM MAY NOT WORK WITH EQUIPMENT USED BY OTHER ALARM COMPANIES OR MONITORING CENTERS.

15. TERMINATION, DEFAULT; TITLE TO SYSTEM. In the event you are not the owner of the premises, you warrant that you have obtained the written consent of the owner for the installation and removal of the System. You authorize us to investigate your credit record, and to report your payment performance under this Agreement to credit agencies and credit reporting services. If you fail to make any payment when due we may discontinue installation, monitoring and service, terminate this Agreement and recover all damages to which we are entitled including, without limitation, the value of the work performed and the amount due to us for the unexpired term of the Agreement, including loss of profits. In addition we may impose a late charge on all payments for services that are more than ten (10) days past due, in the amount equal to ten dollars ($10.00) or the maximum amount permitted by California law whichever is less. In no event shall Hoffman's failure to enforce this provision at any time be deemed to be a waiver by Hoffman to assert its rights created hereunder or to assess the late charge in the future. Unless you purchased the System from us (and the first box under Section 1 is checked), you acknowledge and agree to the following: (A) This Agreement is a service agreement only and THE ENTIRE SYSTEM SHALL AT ALL TIMES REMAIN THE SOLE PROPERTY OF HOFFMAN. (B) You will not damage, encumber or dispose of the System or permit the System to be damaged, encumbered, taken from the premises, tampered with or repaired by any but our service personnel. (C) In the event of loss or damage to the System or any part thereof, you agree to pay us the System's reasonable replacement value or the cost of repair as the case may be. At the expiration of this Agreement or in the event of your default, you authorize us to enter your premises and to remove all or any portion of the System. (D) We may elect to abandon all or any portion of the System. (E) Removal of the System shall be without prejudice to the collection of any and all sums due under the entire contract or extensions or renewals thereof, including, but not limited to, recovery of our loss of profit for any unexpired term of this Agreement. (F) You will return the System to us in good condition, reasonable wear and tear excepted. (G) You agree that installation of the System does not create a fixture to your premises. In the event you are not the owner of the premises, you warrant that your use of the premises is legal.

16. ASSIGNEES AND SUBCONTRACTORS. We may transfer or assign this Agreement to any other security company, financial institution or other entity. Upon an assignment to another security company, Hoffman will be relieved of any further obligations hereunder. You may not transfer this Agreement to someone else (including someone who purchases or rents your premises) unless we approve the transfer in writing. We may use subcontractors to provide installation, repair, monitoring and other services. This Agreement, and particularly sections 16 and 17 shall, and apply to work and services they provide, and shall apply to them and protect our assignees and subcontractors in the same manner as it applies to and protects us.

17. CHANGES TO THE SYSTEM. If you or any governmental agency or insurance interest wants us to change the System described herein, or change it after it is installed, you agree to pay our standard parts and labor charges for such changes. YOU AGREE THAT YOU HAVE CHOSEN THE SYSTEM AND YOU UNDERSTAND THAT ADDITIONAL OR DIFFERENT PROTECTION IS AVAILABLE FOR A HIGHER PRICE.

18. HOFFMAN IS NOT AN INSURER; LIQUIDATED DAMAGES; LIMITATION OF LIABILITY. You understand that (a) we are not an insurer of your property or the personal safety of persons in your premises; (b) you should provide any insurance on your premises and its contents; (c) the amount you pay to us is based on only the value of the System and services we provide and not on the value of your premises or its contents; (d) alarm systems and our monitoring and repair service may not always operate properly for various reasons; (e) it is difficult to determine in advance the value of the your property that might be lost, stolen or destroyed if the System or System fails to operate properly; (f) a CCTV or access control system may not detect or prevent an unauthorized intrusion onto the premises or unauthorized activities (including criminal conduct) by persons on the premises; (g) it is impossible to determine in advance how fast the police or fire department or others would respond to an alarm signal; (h) it is difficult to determine in advance what portion, if any, of any property loss, personal injury or death would be proximately caused by our failure to perform, our negligence, or a failure of the System. Therefore you agree that, even if a court decides that Hoffman's breach of this Agreement, a failure of the System, or our negligence, or a failure of the System, installation, monitoring, repair service, or other services caused or allowed any harm or damage (whether property damage, personal injury or death) to you or anyone in your premises, you agree that our liability shall be limited to the lesser of $250.00 or six (6) times the quarterly services fee, as liquidated damages and not as a penalty, and this shall be your only remedy regardless of what legal theory (including without limitation, negligence, breach of contract, breach of warranty or product liability) is used to determine that we were liable for the injury or loss. YOU MAY OBTAIN A LIMITATION OF LIABILITY. If you wish, you may obtain from us a limitation of liability for an additional periodic charge. If you elect this option, we will attach a rider to this Agreement which will set forth the amount of the limitation of liability and the amount of the additional charge. Agreeing to the higher limitation of liability does not mean that we have agreed to provide greater coverage.

19. THIRD PARTY INDEMNIFICATION AND SUBROGATION. If anyone other than you, asks us to pay for any harm or damages (including property damage, personal injury or death) connected with or resulting from (i) Hoffman's breach of this Agreement or a failure of the System or services, (ii) our negligence, (iii) any other improper or careless activity of ours in providing the System or services or (iv) a claim for indemnification or contribution, you will pay us (a) any amount which a court orders us to pay or which we reasonably agree to pay, and (b) the amount of our reasonable attorneys' fees and any other losses or costs that we may pay in connection with the harm or damages. Your obligation to pay us for such harm or damages shall not apply if the harm or damages happens while one of our employees or subcontractors is in or about your premises, and that employee or subcontractor solely causes such harm or damages. Unless prohibited by your property insurance policy, you agree to release us from any claims of any parties suing through your authority or in your name, such as your insurance company, and you agree to defend us against any such suit. You will notify your insurance company of this release.

20. LIMITATION ON LAWSUITS; REFERENCE. Both Hoffman and Subscriber agree that no lawsuit or any other legal proceeding connected with this Agreement shall be brought or filed more than two (2) years after the incident giving rise to the claim occurred. Any controversy, dispute, or claim between the parties arising out of or relating to this Agreement, (other than actions brought by Hoffman in small claims court to collect amounts due under this Agreement) will be settled by a reference proceeding in Merced, California, in accordance with the provisions of Section 638, et seq. of the California Code of Civil Procedure, or their successor section, which shall constitute the exclusive remedy for the resolution of any controversy, dispute, or claim concerning this Agreement, including whether such controversy, dispute, or claim is subject to the reference proceeding. The referee shall be appointed to sit as a temporary Judge with all of the powers of a temporary Judge authorized by law. In the event that the enabling Legislation, which provides for the appointment of a referee is repealed and a reference is enacted, any dispute between the parties that would otherwise be determined by a reference procedure herein, will be resolved and determined by binding arbitration. That arbitration will be conducted by a retired Judge of the Superior Court in accordance with Section 1280 to 1294.2 of the California Code of Civil Procedure, as amended from time to time. The arbitrator shall not have the power to commit errors of law or legal reasoning, and the award may be vacated or corrected on appeal to a court of competent jurisdiction for any such error. The arbitrator shall allocate all the costs of the arbitration, including fees of the arbitrator and reasonable attorney's fees of the prevailing party against the party who did not prevail. Judgment on the award may be entered in any court having jurisdiction.

21. INCREASE IN SERVICES FEE. Notwithstanding any other term or condition set forth herein, after the expiration of one (1) year from the date of completion of installation, we may at any time and from time to time, but not more than once in any twelve (12) month period, increase the monthly services fee by a percentage not to exceed ten percent (10%) of the monthly services fee in effect immediately prior to the effective date of the increase, by giving you thirty (30) days prior written notice of the amount of the increase and you agree to pay the same.

22. INFORMATION AND PRIVACY. You understand and agree that in conjunction with employee training, quality control and the provision of services, we may monitor, record, store and, if necessary, disclose to third parties video and audio related to monitored activity at your location, as well as conversations with you, emergency services providers, and law enforcement personnel. You consent to such recording, storage, and disclosure on behalf of yourself and any minor children for whom you are the parent or legal guardian. You further agree and represent that you have or will have obtained consent to such recording, storage, and disclosure from any other individuals who live or work at, or
otherwise frequent, your premises, including consent on behalf of any minor children for whom such individuals are the parents or legal guardians. Further, you understand that privacy cannot be guaranteed on telephone, cable and computer systems, and we shall not be liable to you for any claims, loss, damages or costs which may result from a lack of privacy experienced. You consent to us (i) using information about you and your location (collectively, “information”) to administer services, offer you new products or services, enforce the terms of this agreement, prevent fraud and respond to regulatory and legal requirements, (ii) provide information, including information contained on your emergency information to law enforcement or fire service personnel for the purpose of providing services hereunder or in response to a subpoena or other such legal process, and (iii) using and sharing aggregate customer information and statistics that do not include information that identifies you personally. Except as required to provide the services that you have selected, we will not monitor your location. You further acknowledge and assume risks related to data security breaches and cybercrime, as a result of which information about you and your premises may be compromised, intercepted and/or used by third parties in a way that would compromise the security of your information, your safety and/or privacy, and the privacy and safety of persons and property on your premises.

23. ENTIRE AGREEMENT. The entire and only agreement between you and Hoffman is written in this Agreement. They replace any earlier oral or written understandings or agreements. They may only be changed by a written agreement signed by you and us. THEY MAY NOT BE CHANGED BY ANY ORAL STATEMENTS MADE BY OUR SALES AGENT. If you have given or ever give us a purchase order for the System or service which provides for different terms than this Agreement, this Agreement will govern and be controlling. If any provision of this Agreement is found to be invalid or illegal by a court, the balance of the Agreement shall remain in force. You agree that this Agreement is performed in the state of California and shall be governed by the laws of California.

24. OUR LICENSES. ALARM COMPANY OPERATORS ARE LICENSED AND REGULATED BY THE BUREAU OF SECURITY AND INVESTIGATIVE SERVICES, DEPARTMENT OF CONSUMER AFFAIRS, SACRAMENTO, CALIFORNIA 95814. CONTRACTORS ARE REQUIRED BY LAW TO BE LICENSED AND REGULATED BY THE CONTRACTORS’ STATE LICENSE BOARD WHICH HAS JURISDICTION TO INVESTIGATE COMPLAINTS AGAINST CONTRACTORS IF A COMPLAINT REGARDING A PATENT ACT OR OMISSION IS FILED WITHIN FOUR YEARS OF THE DATE OF THE ALLEGED VIOLATION. 8. CAMERA MAINTENANCE. Camera Maintenance includes daily health alerts to be sent to Company if one of the cameras loses their picture or if the hard drive on the recorder fails. Subscriber is responsible for maintaining high speed internet connection. Once per month, if remote access is made available by client and conditions permit, Hoffman will remotely attempt to determine camera system is functioning as intended by using any combination of methods such as checking: system is accessible, recorded video, live video, camera views, views observed, or other processes to attain general system health. Camera maintenance also includes an annual camera cleaning to be scheduled by the client. Finally, it covers all normal wear and tear on the equipment so if any camera or the recorder fails, we will replace it at no cost to subscriber. Any repair work necessary will be done during normal business hours.

9. ALARM SYSTEM MONITORING SERVICE. If you have subscribed to monitoring service, we shall connect the alarm system(s) to our monitoring facility (the "Center") and monitoring will be provided in accordance with our Agreement. We will charge you directly for monitoring which will be billed to you by us pursuant to this Agreement. When a burglary, fire, duress, medical or other alarm signal from the System is received in the Center, we will call your premises first, followed by the first person designated on Subscriber's Emergency Notification List, and then try to telephone the proper police or fire department and the other persons designated on Subscriber's Emergency Notification List. HOFFMAN AND THE CENTER DO NOT PROVIDE MEDICAL SERVICES OR MEDICAL ADVICE. When a non-emergency signal is received (e.g. temperature or pump water flow sensors), we will attempt to contact you and the first then the first available person on your Subscriber information form but will not notify any emergency authorities. We reserve the right to verify all alarm signals by using the two-way voice or visual devices, if one has been installed, calling the premises or otherwise before notifying the government agencies. We may choose not to notify the government agencies if we have reason to believe that an emergency condition does not exist. We and you are obligated to comply with all notification and response requirements imposed by governmental agencies having jurisdiction over your system. We may discontinue or change any particular response service due to governmental or insurance requirements by giving you written notice. If your police or fire department now or in the future requires physical or visual verification of an emergency condition before responding to a request for assistance, you agree to subscribe to such service if provided by us, or otherwise comply with such requirements. If Hoffman dispatches a Guard Company, subscriber is responsible to pay a response fee will each time Guard Company is dispatched. We may charge an additional fee for such service that will not be required to be paid by the subscriber. In addition, you shall agree to pay for all monitoring firmware and software, computer codes and monitoring information remain our sole and exclusive property. You consent to the tape recording of all telephonic communications with our office or the Center. If Hoffman is providing Video Verification, standard dispatching procedures shall apply on all accounts with Video. We will charge you directly for monitoring which will be billed to you by us pursuant to this Agreement. False alarm charges shall be your responsibility.

10. TRANSMISSION LINES. The alarm system may include a communicator that sends signals to the Center over your regular telephone service, or Internet, cellular service or long-range radio. If telephone service is used, you will pay for all telephone charges including any installation fee for a special jack to connect the alarm system to your telephone service. We recommend the use of IJX31 or equivalent telephone jack to give the alarm system priority over other telephones in your premises, however, when the alarm system is activated, you will be unable to use your telephone to make other calls (such as calls to the 911 emergency operator), and therefore, you may wish to have the System connected to a second telephone line. If your telephone is out of order, placed on vacation status or otherwise not working, signals cannot be transmitted and we will not know of the telephone service problem. If an Internet, cellular or radio system is used for transmitting alarm signals from your premises to the Center, you acknowledge that the use of such system may be controlled by the California Public Utilities Commission and Federal Communications Commission and changes in rules, regulations and policies may necessitate our discontinuing or changing such transmission facilities at our option. Communications systems may be impaired or interrupted by atmospheric conditions, including interruptions caused by an Internet provider, electrical storms, power failures or other outages, conditions and events beyond our control. You may be required to execute an additional agreement for Internet, cellular or radio transmission service. You agree to reimburse us for any costs we may incur to reprogram the communications device of the alarm system because of area code changes or other dialing pattern changes. Use of DSL, VoIP, BPL or other broadband telephone service may prevent the System from transmitting alarm signals to the monitoring facility and/or interfere with the telephone line-seize feature of the alarm system, after it is installed or anytime in the future. Such services should be installed on a telephone number that is not used for alarm signal transmission. You may not use an installed or intend to install DSL, VoIP, BPL or other broadband service. IMMEDIATELY AFTER THE INSTALLATION OF DSL, VoIP, BPL OR OTHER BROADBAND SERVICE YOU MUST TEST THE SYSTEM'S SIGNAL TRANSMISSION WITH THE CENTER.

11. FALSE ALARMS. You agree that you and others using the System will use it carefully so as to avoid causing false alarms. Severe weather or other forces beyond our control can cause false alarms. If we receive too many false alarms, that will constitute a breach of contract by you, and we may cancel monitoring and service and seek to recover damages. You will pay any false alarm fee, penalty or fee that is charged against you, and if a false alarm fee, penalty or fee is charged to us by any governmental agency, you will pay for the charge.

12. AFTER WARRANTY REPAIR SERVICE. At the end of our one (1) year limited warranty we will continue to repair the System and provide equipment on a time and material basis. You will pay our standard parts and labor charges for all repair calls and supplies. There will be a one (1) hour minimum visit charge for each repair call. See Section 7(b) of our Limited Warranty on how to get repair service.

13. SUBSCRIBER'S DUTIES. You will instruct all other persons who may use the System on its proper testing and use. You will test the alarm system's protective devices and send test signals to the Center in accordance with our instructions at least monthly. If the security alarm system includes space protection (e.g., infrared, photo beams or other such detectors) you will turn off, control, relocate or remove all things such as air conditioning systems, inventory, furniture, heaters, and other such devices that might interfere with such devices when they are turned off. If a problem in the System occurs you will notify us. You will complete and give us an emergency information form which will include the name, designee and charges for such repairs will be based on our then existing labor and material rates and will include a minimum one (1) hour visit charge and will be due and payable upon completion of the work. YOU AGREE TO PAY FOR ANY DISPENSABLE ITEMS SUCH AS ACCESS CONTROL CARDS, VIDEO HARDDRIVES AND BATTERIES WHICH WE WILL PROVIDE TO YOU AND YOU AGREE TO PAY FOR AT OUR PREVAILING RATES. If you fail to pay for such charges upon completion of the work, we may terminate this Agreement. For fire alarm or sprinkler supervisory systems we will provide inspection and testing service as set forth on the equipment description. Inspections and tests will be performed only during our normal business hours described above. We have no obligation to repair equipment to which the System is attached (e.g., a sprinkler system or access control system).

14. SUSPENSION OR CANCELLATION OF THIS AGREEMENT. You understand that we may stop or suspend monitoring and other services if: (i) strikes, severe weather, earthquakes or other such events beyond our control affect the operation of Hoffman or so severely damage your premises that continuing service would be impractical; (ii) there is an interruption or unreliability of the telephone service between the alarm system and our monitoring facilities; (iii) you do not pay the service charge due to us, after we have given you ten days notice that we are canceling service because of non-payment; (iv) we are unable to provide service because of some action or ruling by any governmental authority;
and/or (v) you become a debtor in a bankruptcy proceeding. If service is canceled or this Agreement expires or is terminated for any reason, you authorize us to remotely disconnect the
alarm system communicator from our facility and/or enter your premises to disconnect the alarm system from our monitoring equipment and remove our signs, decals, and/or key cards as a precaution.
If the System is suspended because you have failed to pay the charges set forth herein, and you ask us to reactivate the System, you will pay, in advance, our then prevailing re-connection fee. YOU UNDERSTAND THAT THE ALARM SYSTEM MAY NOT WORK WITH EQUIPMENT USED BY OTHER ALARM COMPANIES OR MONITORING CENTERS.

15. TERMINATION, DEFAULT; TITLE TO SYSTEM. In the event you are not the owner of the premises, you warrant that you have obtained the written consent of the owner for the installation and removal of the System. You authorize us to investigate your credit record, and to report your payment performance under this Agreement to credit agencies and credit reporting services. If you fail to make any payment when due we may discontinue installation, monitoring and service, terminate this Agreement and recover all damages to which we are entitled including, without limitation, the value of the work performed and the amount due to us for the unexpired term of the Agreement, including loss of profits. In addition we may impose a late charge on all payments for services that are more than ten (10) days past due, in the amount equal to ten dollars ($10.00) or the maximum amount permitted by California law whichever is less. In no event shall Hoffman's failure to enforce this provision at any time be deemed to be a waiver by Hoffman to assert its rights created hereunder or to assess the late charge in the future. Unless you purchased the System from us (and the first box under Section 1 is checked), you acknowledge and agree to the following: (A) This Agreement is a service agreement only and THE ENTIRE SYSTEM SHALL AT ALL TIMES REMAIN THE SOLE PROPERTY OF HOFFMAN. (B) You will not damage, encumber or dispose of the System or permit the System to be damaged, encumbered, taken from the premises, tampered with or repaired by any but our service personnel. (C) In the event of loss or damage to the System or any part thereof, you agree to pay us the System's reasonable replacement value or the cost of repair as the case may be. At the expiration of this Agreement or in the event of your default, you authorize us to enter your premises and to remove all or any portion of the System. (D) We may elect to abandon all or any portion of the System. (E) Approval of the System shall be without prejudice to the collection of any and all contract or extensions or renewals thereof, including, but not limited to, recovery of our loss of profit for any unexpired term of this Agreement. (F) You will return the System to us in good condition, reasonable wear and tear excepted. (G) You agree that installation of the System does not create a fixture to your premises. In the event you are not the owner of the premises, you warrant that you have obtained the written consent of the owner for the installation and removal of the System.

16. ASSIGNEES AND SUBCONTRACTORS. We may transfer or assign this Agreement to any other security company, financial institution or other entity. Upon an assignment to another security company, Hoffman will be relieved of any further obligations hereunder. You may not transfer this Agreement to someone else (including someone who purchases or rents your premises) unless we approve the transfer in writing. We may use subcontractors to provide installation, repair, monitoring and other services. This Agreement, and particularly Sections 16 and 17, shall apply to the work and services they provide, and shall apply to them and protect our assignees and subcontractors in the same manner as it applies to us.

17. CHANGES TO THE SYSTEM. If you or any governmental agency or insurance interest wants us to change the System described herein, or change it after it is installed, you agree to pay our standard parts and labor charges for such changes. YOU AGREE THAT YOU HAVE CHOOSEN THE SYSTEM AND YOU UNDERSTAND THAT ADDITIONAL OR DIFFERENT PROTECTION IS AVAILABLE FOR A HIGHER PRICE.

18. HOFFMAN IS NOT AN INSURER; LIQUIDATED DAMAGES; LIMITATION OF LIABILITY. You understand that (a) we are not an insurer of your property or the personal safety of persons in your premises; (b) you provide any insurance on your premises and its contents; (c) the amount you pay to us is based only on the value of the System, and serviços we provide; (d) system alarms and service calls for various reasons; (e) it is difficult to determine in advance the value of the property that might be lost, stolen or destroyed if the System or our service fails to operate properly; (f) a CCTV or access control system may not detect or prevent an unauthorized intrusion on the premises or unauthorized activities (including criminal conduct) by persons on the premises; (g) it is difficult to determine in advance how fast the police or fire department or others would respond to an alarm signal; and (h) it is difficult to determine in advance what portion, if any, of any property loss, personal injury or death would be proximately caused by our failure to perform, our negligence, or a failure of the System. Therefore you agree that, even if a court decides that Hoffman's breach of this Agreement, a failure of the System, or our negligence, or a failure of the System, installation, monitoring, repair service, or other services caused or allowed any harm or damage (whether property damage, personal injury or death) to you or anyone in your premises, you agree that our liability shall be limited to the amount of the higher limitation of liability or any lesser amount as stated in Section 15 of this Agreement. (E) Removal of the System shall be without prejudice to the collection of any and all sums due under the entire contract or extensions or renewals thereof, including, but not limited to, recovery of our loss of profit for any unexpired term of this Agreement. (F) You will return the System to us in good condition, reasonable wear and tear excepted. (G) You agree that installation of the System does not create a fixture to your premises. In the event you are not the owner of the premises, you warrant that you have obtained the written consent of the owner for the installation and removal of the System.

19. THIRDPARTY INDEMNIFICATION AND SUBROGATION. If anyone other than you, asks us to pay for any harm or damages (including property damage, personal injury or death) connected with or resulting from (i) Hoffman's breach of this Agreement or a failure of the System or services, (ii) our negligence, (iii) any other improper or careless activity of ours in providing the System or services or (iv) a claim for indemnification or contribution, you will pay us (a) any amount which a court orders us to pay or which we reasonably and in good faith determine we should pay to cover our losses or the losses of any other person, firm or corporation, including our attorneys' fees, which would have been avoidable if you had paid our higher limitation of liability or any lesser amount as stated in Section 15 of this Agreement. (F) Removal of the System shall be without prejudice to the collection of any and all sums due under the entire contract or extensions or renewals thereof, including, but not limited to, recovery of our loss of profit for any unexpired term of this Agreement. (F) You will return the System to us in good condition, reasonable wear and tear excepted. (G) You agree that installation of the System does not create a fixture to your premises. In the event you are not the owner of the premises, you warrant that you have obtained the written consent of the owner for the installation and removal of the System.

20. LIMITATION ON LAWSUITS; REFERENCE. Both Hoffman and Subscriber agree that no law suit or any other legal proceeding connected with this Agreement shall be brought or filed more than two (2) years after the incident giving rise to the claim occurred. Any controversy, dispute, or claim between the parties arising out of or relating to this Agreement, (other than actions brought by Hoffman in small claims court to collect amounts due under this Agreement) will be settled by a reference proceeding in Merced, California, in accordance with the provisions of Section 638, et seq., of the California Code of Civil Procedure, or their successor sections, which shall constitute the exclusive remedy for the resolution of any controversy, dispute, or claim concerning this Agreement, including whether such controversy, dispute, or claim is subject to the reference proceeding. The referee shall be appointed to sit as a temporary Judge with all the powers of a temporary Judge authorized by law. In the event that the enabling Legislation, which provides for the appointment of a referee is repealed and no successor statute is enacted, any dispute between the parties that would otherwise be determined by a reference procedure herein, will be resolved and determined by binding arbitration. That arbitration will be conducted by a retired Judge of the Superior Court in accordance with Section 1280 to 1294.2 of the California Code of Civil Procedure, as amended from time to time. The arbitrator shall not have the power to commit errors of law or legal reasoning, and the award may be vacated or corrected on appeal to a court of competent jurisdiction for any such error. The arbitrator shall allocate all the costs of the arbitration, including fees of the arbitrator and reasonable attorneys' fees of the prevailing party who did not prevail. Judgment on the award may be entered in any court having jurisdiction.

21. INCREASE IN SERVICES FEE. Notwithstanding any other term or condition set forth herein, after the expiration of one (1) year from the date of completion of installation, we may at any time and from time to time, but not more than once in any twelve (12) month period, increase the monthly services fee by a percentage not to exceed ten percent (10%) of the monthly services fee in effect immediately prior to the effective date of the increase, by giving you thirty (30) days prior written notice of the amount of the increase and you agree to pay the same.

22. INFORMATION AND PRIVACY. You understand and agree that in conjunction with employee training, quality control and the provision of services, we may monitor, record, store and, if necessary, disclose to third parties video and audio related to monitored activity at your location, as well as conversations with you, emergency services providers, and law enforcement personnel. You consent to such recording, storage, and disclosure on behalf of yourself and any minor children for whom you are the parent or legal guardian. You further agree and represent that you have or will have obtained consent to such recording, storage, and disclosure from any other individuals who live or work at, or otherwise frequent, your premises, including consent on behalf of any minor children for whom such individuals are the parents or legal guardians. Further, you understand that privacy cannot be guaranteed on telephone, cable and computer systems, and we shall not be liable to you for any claims, loss, damages or costs which may result from a lack of privacy experienced. You consent to us (i) using information about you and your location (collectively, "information") to administer services, offer you new products or services, enforce the terms of this agreement, prevent fraud and respond to regulatory and legal requirements, (ii) provide information, including information contained on your emergency
information to law enforcement or fire service personnel for the purpose of providing services hereunder or in response to a subpoena or other such legal process, and (iii) using and sharing aggregate customer information and statistics that do not include information that identifies you personally. Except as required to provide the services that you have selected, we will not monitor your location. You further acknowledge and assume risks related to data security breaches and cybercrime, as a result of which information about you and your premises may be compromised, intercepted and/or used by third parties in a way that would compromise the security of your information, your safety and/or privacy, and the privacy and safety of persons and property on your premises.

23. **ENTIRE AGREEMENT.** The entire and only agreement between you and Hoffman is written in this Agreement. They replace any earlier oral or written understandings or agreements. They may only be changed by a written agreement signed by you and us. THEY MAY NOT BE CHANGED BY ANY ORAL STATEMENTS MADE BY OUR SALES AGENT. If you have given or ever give us a purchase order for the System or service which provides for different terms than this Agreement, this Agreement will govern and be controlling. If any provision of this Agreement is found to be invalid or illegal by a court, the balance of the Agreement shall remain in force. You agree that this Agreement is performed in the state of California and shall be governed by the laws of California.
