Nonconformity Determination Application Requirements

1. Assessor Parcel Map: Assessor Parcel Number (APN): _____.

2. Send a written letter to the Planning Director of Mariposa County, describing the non-conforming structures or use(s) and the date or dates that the property was used. The information in your letter must be supported by objective evidence (see item #3 below). We're flexible, but we have to be able to defend our decision.

3. Objective Evidence: Based on your information, and on legal requirements, the Planning Director determines whether or not there is sufficient evidence to prove the legality of nonconformity. What constitutes adequate evidence to determine legality is unique to each use; be sure to provide us with as much objective evidence as possible. The list below provides you with a starting point to conduct your investigation and is not a conclusive list; some items may not even pertain to the subject property. In most cases, the use of just one form of evidence is not sufficient to determine legality. Please submit varied and objective sources of evidence for our review.

- Telephone directories, with date showing a business listing supporting the claim;
- Letters verifying and describing the use and dates of use;
- Tax records;
- Photographs with date identification;
- Fictitious business name records;
- Licenses showing dates of use;
- Statements or receipts from utilities such as power, water or gas in the users name;

- Receipts from purchases and services relating to the use; show delivery address;
- Rent receipts or records.

Please note that only legal nonconformities can be approved or "Grandfathered." Providing incorrect or false information can void our action.

4. Payment of Fees: Payment of application fees as determined by Mariposa Planning. Additional fees maybe charged by other agencies or county offices, depending on the type of application. Deposit fees are for applications that are to be charged time and materials and are estimated using the staff hourly charge of \$123 per hour. All additional staff time and expenses needed to complete the application processing that exceed the deposit amount will be charged at the disclosed rate at the time that services are rendered. On average, invoices will be calculated on a quarterly basis and forwarded to the applicant for payment. If the deposit falls below a balance of 20% of the initial deposit, the applicant will be asked to make a subsequent deposit in an amount estimated to be necessary to complete the processing. Applicants will be expected to pay the subsequent deposit within 30 days of the invoice date or prior to the public hearing, whichever comes first. In the event that the billing is not paid timely, processing will be suspended until payment is made. Any remaining balance will be used to reconcile the final bill. If there is a balance remaining after reconciling the final bill, a refund check will be mailed to the applicant. If the application requires a public hearing, the public hearing will not be scheduled until payment in full is received. It should be noted that the fees do not include consultant fees, specialized studies, CEQA charges, publication fees and any additional fees that maybe charged by other agencies or county offices.

Grandfathered Rights Determination Deposit	\$683.00
Document Conversion	\$7.00
Total:	\$690.00

Note: If there is a potential for roadway or encroachment issues on a case by case basis, Public Works may be required to review and will charge the applicant for their review as per their current fee schedule.
