Sheriff's Office • (209) 966-3615

RESOLUTION - ACTION REQUESTED 2012-516

MEETING: October 16, 2012
TO: The Board of Supervisors
FROM: Doug Binnewies, Sheriff-Coroner-Public Administrator
RE: Purchase New Oven for Adult Detention Facility

RECOMMENDATION AND JUSTIFICATION: Approve Fixed Asset Purchase of a New Convection Oven for the Mariposa County Adult Detention Facility; Approve Budget Action Transferring Funding Within the Jail Budget to Allow for the Purchase of the Oven (\$12,950)

The current convection oven has been in service at the Mariposa County Adult Detention Facility for over 25 years. The current oven due to its age, size and part availability needs to be replaced to guarantee reliable food preparation/cooking for the inmates.

The Mariposa County Sheriff's Office Adult Detention Facility submitted no increase in the Maintenance of Equipment line item during the proposed 2012-2013 budget hearing. The Mariposa County Sheriff's Office requests that amount of \$12,590.00 be transferred from Maintenance of Equipment to Fixed Asset Convection Oven. This transfer will draw the Maintenance of Equipment line item down to approximately 30%, but in the recent years most of the major equipment in service at the Adult Detention Facility have been replaced and are in good working order.

BACKGROUND AND HISTORY OF BOARD ACTIONS: The Board has authorized major equipment purchases for the Mariposa County Sheriff's Office Adult Detention Facility in the past.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION: Continue to use the current oven until it breaks down and then order a new one; during this down time it would be unknown of how the meals for the inmates would be cooked.

FINANCIAL IMPACT:

The line item 001-0220-531.04-12 Maintenance of Equipment have been funded to support this purchase in the 2012-2013 Fiscal budget.
