Statistical Information

Because PG&E strives to serve a wide variety of community needs and is regularly asked by its shareholders and the public for statistical information regarding its charitable grantmaking program, we request information about diverse populations in our service territory and how we can assist them. Please complete the following questions for statistical purposes only.

*** Underserved Population**

We include as contributions to "underserved" communities grants that assist any of the following specific populations: low-income (which can be defined using applicable federal or state guidelines), ethnic minority groups, seniors, the disabled and the LGBT community. We also count as underserved those individuals who tend to require more support from public services, including the homeless, the unemployed, the working poor, veterans and migrant workers. Will at least half of the funds received under this grant be used to provide goods or services to members of underserved communities?
