To: Members; Board of Supervisors

From: James A. Rydingsword, Human Services Director  
RE: Approval for submission of "Joint Adult Drug Court Solicitation to Enhance Services, Coordination and Treatment" (OMB No. 1121-0329)

**Recommendation**

It is respectfully recommended that the Board of Supervisors: Approve submission of the "Joint Adult Drug Court Solicitation to Enhance Services, Coordination and Treatment" (OMB No. 1121-0329) in the amount of \$1,200,000 to the U.S. Department of Justice- Bureau of Justice Assistance and the Department of Health Services- Substance Abuse and Mental Health Services and authorize the department head to sign the necessary documents.

**Background**

Mariposa County is currently seeking funding to both expand and enhance treatment and recovery options to Drug Court participants. The goals of the Project are to: 1) enhance the Mariposa County Drug Court Program through increased access to services and supports that decrease barriers to successful participant outcomes in a rural setting; and 2) to enhance the Mariposa County Drug Court Program services through the provision of evidence-based strategies that are currently not available to the majority of our clients, including residential treatment, opiate replacement therapy, increased peer-to-peer and other community recovery and reintegration support programs, and more comprehensive case management.

In order to achieve this, we will implement the following strategies: 1) expand case management, recovery support services, and transportation provided through the Mariposa Heritage House recovery support center; 2) increase case coordination, oversight and monitoring of our drug court participants through expanded resources in the Probation Department; 3) support individuals in accessing residential treatment or opiate replacement therapy, if needed; and 4) expand our peer-to-peer support and other community reintegration programs through the creation and implementation of a formal volunteer and intern training program through the Mariposa Heritage House.

By doing this we anticipate the following outcomes: increased ability for clients to meaningfully and successfully participate in the Drug Court Program; increased ability for clients to complete and graduate from the Drug Court Program; decreased use of alcohol and other drugs; sustained long-term recovery; improved physical health, psychosocial health, and skills to support recovery; and increased opportunity for clients in recovery to provide peer-support to other Drug Court participants. Over the three-year grant period, we will serve 110 unduplicated individuals in the Drug Court Program.

Our primary partners in this Project are Mariposa Heritage House (Recovery Support Services), a Program of Mountain Crisis Services, Inc., Mariposa County Probation Department and Mariposa County Superior Court.

**Financial**

If approved, this grant will bring approximately \$1.2 million in Federal revenue into Mariposa County. A cash or in-kind match of approximately \$70,000 spread over a 3-year period will come from administrative overhead/indirect costs/administrators' salaries that are already supporting the Drug Court Program through State or Local dollars. There will be no impact to the County General Fund.
