RECOMMENDED ACTION AND JUSTIFICATION:
Authorize Chair to Accept One-Time grant funding in the Amount of One Hundred Thousand Dollars ($100,000) from the State of California for costs associated with AB 109 Planning, and Approve Budget Action Increasing Revenue and Appropriations in Fund #432. AB 109, titled "2011 Realignment Legislation Addressing Public Safety" was signed by the Governor on April 4, 2011. The bill is effective on October 1, 2011.

In summary, the bill realigns numerous responsibilities concerning adult felony offenders to the counties, including specifying local jail custody only for certain offenders previously eligible for a commitment to state prison; and, specifying certain offenders, upon release from prison, are subject to community supervision and accountability by a local agency and Courts rather than state parole. The BOS has previously appointed the Probation Department as the Supervising Identity for this new population of offender.

The legislation also requires each county to develop its own implementation plan on how best to employ evidenced based practices to improve services and outcomes (reduce recidivism) on these offenders. Based on population, each county has been given an allocation to assist the local Community Corrections Partnership (CCP) and its Executive Committee develop a plan that is specific to county needs. Mariposa County has been granted $100,000 for the planning process.
