**RECOMMENDED ACTION AND JUSTIFICATION:** Approve the purchase of new Live Scan System for applicant submissions to Department of Justice.

*+ approve Budget action transferring in the fingerprint ID Sheriff fund (\$10,000)*

The Mariposa County Sheriff's Office serves as the main access point for residents of Mariposa County to submit applications for clearance with the California Department of Justice and the United States Department of Justice. These clearances are for employment clearances, volunteer clearances and concealed weapons permits.

The current applicant Live Scan equipment in use by the Mariposa County Sheriff's Office is starting to fail. To repair the outdated equipment would not be cost effective and with constant equipment failures it has slowed and or delayed the process of clearance for the applicants.

The purchase of the new equipment will be drawn from Mariposa County Sheriff's Office line item 376-0255-525.04-16 and cost \$9,988.52. This account is funded by court fines for use in updating and purchasing fingerprints technology and equipment. There will be no impact to the general fund.

The new equipment will be purchased from L-1 Identity Solutions who is the current Live Scan provider at the Mariposa County Adult Detention Facility.

**BACKGROUND AND HISTORY OF BOARD ACTIONS:** The Board has authorized similar purchases in the past.

**ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:** Failure to authorize the purchase will result in this service being discontinued or service cut due to the current equipment failure.
