RECOMMENDED ACTION AND JUSTIFICATION:
Approve a formal resolution to submit a Supplemental Agreement with Caltrans, No. 020-N, for funding of the Federal Highways Administration (FHWA) required Scour Plans of Action (POA); authorize the Board of supervisors Chair to sign the Agreement; authorize the Public Works Director to submit the Supplemental Agreement; and approve the Budget Action Form for the transfer of general fund money, Fund 001-0161-427-0797, in the amount of $22,940 to the roads budget, Fund 300-0301-309-1692, as the match money for this Agreement.

BACKGROUND AND HISTORY OF BOARD ACTIONS:
Public Works received correspondence thru Caltrans from the FHWA related to 18 of our bridges that have unknown foundations. These bridges have been deemed scour critical, which is the erosion of the stream channel around the bridge foundation, and therefore need Plans of Action (POA). The original request from Caltrans was received on May 12, 2010 with a deadline of September 2, 2010. Public Works has been in constant contact with Caltrans since September obtaining verbal extensions; we are now making reasonable progress. As part of said correspondence, comments were made to the affect that we could lose federal funding if we did not comply. Public Works then pursued this funding to alleviate the majority of the burden that these POA’s would entail. The requested funding is in the amount of $200,000 of which part the Federal share would be $177,060 requiring a Local match of $22,940. Once the grant is allocated, Public Works has CH2M Hill ready to begin work.

No prior Board actions.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:
Could jeopardize future federal funding per FHWA correspondence.
