

DEPARTMENT: Sheriff

BY: Byron Robles PHONE: 966-3615

RECOMMENDED ACTION AND JUSTIFICATION: Resolution authorizing Sheriff Muller to purchase a Touch Print Livescan booking system from L-1 Identity Solutions for \$29,894.16.

The Mariposa County Adult Detention Facility currently utilizes Cross Match Technologies for implementation of scanning finger and palm prints for criminal offender information being supplied to the State of California, Department of Justice. This device, specifically the scanner is outdated and is frequently incapable of scanning sufficient palm prints for submission to the Department of Justice. As technology changes so does the quality of obtained data. The State of California, Department of Justice receives sex offender registrant information and identifying information of all subjects currently charged with a felony. This equipment needs to be updated and will cost \$29,894.16. Funding for this piece of equipment already exists within the Sheriff's Jail Budget and therefore no additional funding is being requested. *Finger Print ID Fund*

The current Cross Match System has been in place for 3 years and has never interfaced with the jail records management system. This has caused duplicate entries by Jail Staff Employees and has become burdensome and time consuming.

BACKGROUND AND HISTORY OF BOARD ACTIONS: Mariposa County has used funding to maintain, purchase and upgrade software and equipment for the Mariposa County Sheriff's Adult Detention Facility since 1995.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION: Mariposa County Sheriff's Adult Detention Facility is responsible for receiving, processing and housing criminal offenders. Pursuant to Penal Code Section 296, offenders shall submit specimens, samples, fingerprint and palm prints for all felony offenses. Not upgrading to a more efficient system will continued to impact the jail staff when processing inmates or registering sexual offenders.

Financial Impact? Yes No Current FY Cost: \$29,894 Annual Recurring Cost: \$ -0-

Budgeted In Current FY? () Yes No () Partially Funded
Amount in Budget: \$ 42,074

Additional Funding Needed: \$ -0-
