RE: Behavioral Health Contract for Psychiatric Inpatient Services with Merced County
Department of Mental Health

Recommendation

It is respectfully recommended that your Board: (1) approve continuing a Behavioral Health contract for FY 2010-2011 with Merced County Department of Mental Health; and (2) authorize your Chairman to sign the contract.

Background/Current Situation

This county does not operate inpatient, residential facilities and therefore contracts for such placement. Multiple contracts are necessary as beds are in short supply throughout California. If we were to limit the number of contracts, there would almost certainly be a time that someone was in danger to themselves or others, and no bed space would be available.

We have successfully contracted with this facility since 2004. The current contract was approved by your Board on July 1, 2008 by Resolution Number 08-200.

Financial

The contract amount has been increased to a not to exceed amount of \$25,000 due to a substantial increase in utilizing this facility. This contract will continue to be paid within the Mental Health budget unit 0402.

There is no impact to general fund dollars.
