DEPARTMENT: Public Works/Roads

RECOMMENDED ACTION AND JUSTIFICATION:

Update, discussion, and possible direction regarding the Safe Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU) funding for improving 16 roads, a bridge and a bike path in Mariposa County.

Recent information from the California Department of Transportation (CalTrans) regarding the SAFETEA-LU program is that the County will have to spend its available funding on 16 roads, a bridge and a bike path, as this is the specific language that was part of the legislation. Previously CalTrans told us that we could utilize the SAFETEA-LU funding on fewer roads that were our highest priority for repairs or upgrades.

Another change is that we originally thought that the funding would have to be spent on some or all of the 16 specific roads listed in our initial request for funding. CalTrans is now saying that we can spend the funding on any 16 roads (or different sections of the same road) of our choosing, along with a bridge and bike path.

Based on this new information, Public Works is working on a revised list of road projects with estimated costs that will include the 2.8 million in SAFETEA-LU funding and the required $700,000 in matching funds.

BACKGROUND AND HISTORY OF BOARD ACTIONS:
On September 12, 2006 the Board approved the recommendation of Public Works to utilize SAFETEA-LU funding for work on six roads; Ben Hur, Coakley Circle, Cole, Piney Creek, Triangle and Whitlock, Res. No. 06-431.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:
Not applicable.

FROM: MARGIE WILLIAMS, Clerk of the Board

SUBJECT: Update, Discussion and Possible Direction Regarding the “Safe Accountable, Flexible, Efficient Transportation Equity Act” A Legacy for Users (SAFETEA-LU) Funding for Improving 16 Roads, a Bridge and a Bike Path in Mariposa County

RESOLUTION 07-109

THE BOARD OF SUPERVISORS OF MARIPOSA COUNTY, CALIFORNIA

ADOPTED THIS Order on March 27, 2007

ACTION AND VOTE:

11:53 a.m. Dana Hertfelder, Public Works Director;
Update, Discussion and Possible Direction Regarding the “Safe Accountable, Flexible, Efficient Transportation Equity Act” A Legacy for Users (SAFETEA-LU) Funding for Improving 16 Roads, a Bridge and a Bike Path in Mariposa County

BOARD ACTION: Discussion was held with Dana Hertfelder relative to the status of SAFETEA-LU funding and projects, and matching fund requirements. He advised that they would like to accomplish the Coakley Circle, Cole Road, and Piney Creek Road projects this year and asked for authorization to program these projects, with more information to come back on identifying the matching funds.

Input from the public was provided by the following:
Ruth Sellers disputed the traffic counts for Cole Road and asked how the determination is made as to which roads are paved. She stated she feels that the roads in the Mykleoaks subdivision need more maintenance. Dana Hertfelder responded as to the process for determining the road projects.
Following discussion, (M)Pickard, (S)Turpin, Res. 07-109 was adopted authorizing Public Works to proceed with programming the projects as discussed/Ayes: Unanimous.
