Dear Supervisors,

I am a resident of Cathey's Valley. I understand a plan to install a playground and increase parking at Cathey's Valley Park using Prop 40 dollars set aside for this very purpose is going to be presented to you by Dana Hertfelder at your November 27 meeting. I urge you to support this agenda item!

The Cathey's Valley community has been waiting for park improvements for a very long time. The community submitted a petition to you requesting this over a year and a half ago, on March 6, 2006, with 99 community signatures.

I understand work on the parking lot cannot begin until Spring, but work on the playground could start very soon. Please work on installing the playground first! Our community's children deserve a playground in the park as soon as possible.

Thank you.
