RECOMMENDED ACTION AND JUSTIFICATION:

Recommend Resolution authorizing Chair to sign Rental Agreement with the Fair Agricultural Association for use of the building to hold mass influenza immunization clinics this season.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

Last year for the first time the Health Department utilized the Fairgrounds for mass Influenza Clinics rather than the Senior Center. There were several reasons for this including the need to practice mass immunization and mass medical dispensing as part of a Public Health Emergency Preparedness activity. The best way to be prepared for disasters, in the case of a large Public Health emergency, is to actually utilize the facilities that we would utilize in an emergency. Additionally, there is more ease of parking for citizens at high risk of influenza at the Fairgrounds than at the Senior Center.

We will utilize State grant funds from the Public Health Preparedness/Bio-Terrorism Grant for this activity.
