RE:    Behavioral Health / Continuing Contract with MACT Health Board

Recommendation

It is respectfully requested that your Board: (1) approve a continuing Behavioral Health contract for mental health services under the SAMHSA Grant with the MACT Health Board; and (2) authorize your Chairman to sign the contract.

Background/Current Situation

The transition of Mental Health services from Kings View to the County requires that the department of Human Services/Behavioral Health & Recovery Services obtain new and/or amended contracts. The County, through Kings View, has sub-contracted with the MACT Health Board for mental health and alcohol and drug counseling services via the Mi Wu Mati Healing Center for several years. The fiscal year 2004-2005 program narrative is attached for your reference.

The contract has been approved by our Counsel and by the MACT Health board. The program narrative, organizational charts and budget have been submitted to the state as required to assure continued funding.

Financial

The continuation of the SAMHSA $83,650 Grant has been accounted for in the current budget. This contract will continue to be paid within the Mental Health budget unit 0402. There is no impact to general fund dollars.
