RECOMMENDED ACTION AND JUSTIFICATION: Approve and Authorize the Sheriff to sign an Assistance Agreement between the United States Department of the Interior – Bureau of Land Management and Mariposa County for the protection of persons and property on the public lands administered by the Bureau of Land Management.

The United States Department of the Interior – Bureau of Land Management is seeking approval of an Assistance Agreement with Mariposa County to provide law enforcement services to those lands that fall within the jurisdiction of the Bureau of Land Management. Similar Assistance Agreements have been authorized in past years, and have allowed for the Mariposa County Sheriff’s Office to seek reimbursement for services rendered.

The proposed Agreement; if approved, would be retroactive to October 1, 2003 and would terminate on September 30, 2008. Although there was no Assistance Agreement in place during the 2003/2004 fiscal year, reimbursement was sought and received for services rendered during that time period.

BACKGROUND AND HISTORY OF BOARD ACTIONS: The Board has Authorized the Sheriff to sign all previous Assistance Agreements with the Bureau of Land Management to provide services associated with the protection of persons and property on the public lands administered by the Bureau of Land Management.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION: Failure to sign the agreement will not hinder the Sheriff’s Office in providing requested services, however it will result in the inability of the county to seek reimbursement from the Bureau of Land Management for services rendered.
