RECOMMENDED ACTION AND JUSTIFICATION: Resolution authorizing Sheriff to sign contract for the upgrades in equipment of two heavy aluminum patrol boats through a grant provided by the California Department of Boating and Waterways.

The Mariposa County Sheriff’s Office receives funding from the Department of Boating and Waterways to patrol of navigable waters in Mariposa County. Through this funding Mariposa County can apply for grants for the upgrades of equipment of heavy aluminum patrol boats that are being used.

On August 1, 2004 Mariposa County was awarded a grant for $30,000.00 for upgrades of equipment on the heavy aluminum patrol boats that are being operated.

Mariposa County is operating two heavy aluminum patrol boats. One constructed in 1991 and the other in 1995. The upgrades for the two patrol boats would be for new navigation equipment, GPS, underwater sonar, and misc. equipment. The equipment being replaced is the original equipment for both patrol boats.

The navigation equipment, GPS units and underwater sonar are used daily when the patrol boat is in service. On going repairs have been done on the equipment but now the age of the equipment and the cost to repair the equipment have exceeded the value of the equipment.

BACKGROUND AND HISTORY OF BOARD ACTIONS: Mariposa County has received grant funding for equipment upgrades for the purchases of new engines and outdrives.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION: Mariposa County could chose to use general fund money to cover the upgrades to the patrol boats

Financial Impact? (X) Yes ( ) No  
Current FY Cost: $  
Annual Recurring Cost: $0

Budgeted In Current FY? ( ) Yes (X) No ( ) Partially Funded
