RE:  Mental Health Contract for Children and Adolescents placed out of county

Recommendation

It is respectfully requested that your Board: (1) approve Behavioral Health contract for children’s mental health services for children placed in foster care outside of Mariposa County; (2) authorize the department to sign subsequent fiscal years contracts providing no substantial contract changes.

Background/Current Situation

The transition of Mental Health services from Kings View to the County requires that the department of Human Services/Behavioral Health & Recovery Services obtain new and/or amended contracts. This County places children and adolescents in out of county foster/group home placements thus necessitating the need for contract services. The new agreement is substantially similar to the subcontracts currently in place through Kings View with the change of name to Mariposa County.

The contract boilerplate approved by our Counsel is used for this contact and is summarized below:
