DEPARTMENT: Public Works

RECOMMENDED ACTION AND JUSTIFICATION:

Resolution Authorizing Public Works to Award the Bid to Mauldin-Dorfmeier for the Construction of the Yosemite West Wastewater Treatment Facility in the Amount of $2,879,358 and Authorize the Chair of the Board of Supervisors to Execute the Contract Documents Pending Successful Closure of Funding by the United States Department of Agriculture (USDA) for the Project

Due to the short construction season in Yosemite West, Public Works needs to be able to award the bid as soon as possible after the USDA loan closes.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

In March 2004, the Board authorized the Public Works Department to advertise for new bids for the project. The award of the bid was to be contingent upon the successful passage of the prop 218 assessment and obtaining the required financing from the USDA.

The County received two bids on the project. MD was the apparent at $2,879,358. The second bidder, Allison Sierra Inc., was for the amount of $3,159,328.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

Negative action will result in delay of the project.
