Resolution authorizing County Counsel to continue to provide legal services on behalf of Mariposa County to the Area 12 Agency on Aging Joint Powers Authority (JPA), First Five of Mariposa County (Prop 10 Commission), Mountain Valley Emergency Medical Services Agency, and the Yosemite Area Regional Transportation Systems (YARTS) JPA. County Counsel may decline such services when in his opinion such service to these entities could cause a conflict of interest.

County Counsel desires to reaffirm by Resolution the Board’s desire to have County Counsel, as part of his service to the County, provide legal services on behalf of the County of Mariposa to the above listed outside agencies.

Background and History of Board Actions:

The Office of the County Counsel has provided legal services to the Agencies listed above for a number of years on behalf of the County of Mariposa. A member of the Board of Supervisors has also served and continues to serve on each of the commissions or boards above to represent Mariposa County.

Legal services rendered by County Counsel are invoiced to each of these Agencies at the end of each fiscal year, with the exception of Area 12 Agency on Aging and YARTS who we have Agreements with the County for In-Kind Services, thereby providing the County with estimated revenue of $800 to $1,000 for legal services provided per fiscal year.

The appointment of new County Counsel is an appropriate time to confirm continuing authority to provide such services. Mountain Valley EMS has also requested confirmation that this continues to be the Board’s intention.
