RECOMMENDED ACTION AND JUSTIFICATION: Policy Item: Yes ___ No X

Adopt a resolution approving the road name "Paddy Hill Road" for the subject easement. The road name is consistent with the road naming requirements of County Resolution No. 92-541, in that the name is an old mining claim on the property, and the responding property owners served by the road approve the name. The road is being named as per a project condition for Land Division Application No. 1516.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

The Board adopted Resolution No. 92-541 in 1992 establishing criteria for naming non-County roads. The road naming criteria state that road names shall be developed around some historical, botanical, zoological or geological significance. All property owners served by the road must be notified, and a majority of the responding property owners must approve of the road name request.

LIST ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

ALTERNATIVES: 1) Continue matter; 2) Deny road name request.

NEGATIVE ACTION: would deny requested road name.
