RECOMMENDED ACTION AND JUSTIFICATION: (Policy Item: Yes\_\_\_ No\_x\_\_)

Recommend resolution authorizing the Chairman to sign Agreement with State for receipt of County Medical Services Program one time grant in the amount of \$39,951.00 and appropriating this amount for projects previously submitted by All Tribes Counseling Center and the Northside Rural Health Clinic Enterprise.

As discussed with the Board on June 23rd, the CMSP Board identified funds which could be allocated on a one time basis as a pure grant for participating counties. The Board authorized the Health Officer at that time to apply for these funds. There were two projects requesting the assistance of this fund. All Tribes Counseling Center, administered by Kings View Services and providing mental health and social support services to Native American population in this County, initially directed the Health Officer to the availability of these funds. Their program is called "Walk with a Child" and is an adult mentoring program for children in need.

The other project is the Northside Rural Health Clinic Enterprise spearheaded by Rick Roesch and previously discussed with the Board. The funding source that the Health Officer was pursuing initially for this project is no longer available for that purpose.

CMSP has identified an additional \$584 to augment the original allocation of \$39,366. It is recommended by the Health Officer that the additional \$584 be allocated to the Northside Rural Health Clinic Enterprise because that is the more expensive project and, according to the people at All Tribes Counseling, the amount they requested will fully fund the start up of their project.

The Health Department's role will simply be administrative oversight of the projects and disbursement of the funds.
