HEALTH DEPARTMENT POLICY MEMO

SOIL TESTING REQUIREMENTS FOR PRIVATE SEWAGE DISPOSAL SYSTEMS 89-12

Consistent with Mariposa County Code 13.08.090 and the Rules and Regulations adopted subsequent thereto, the requirements for testing soil at a site of proposed private sewage disposal system are outlined in Section .061 of the Rules and Regulations and further detailed on the form letter attached to this memo.

All Health Department personnel will enforce the County Code, the Rules and Regulations, and the policy as outlined in the attached form letter. No deviation from Code, Rules and Regulations, or Policy as outlined on the attached form letter may be allowed by any Health Department personnel without written approval from the Health Officer.

A handwritten signature in cursive script, appearing to read "C B Mosher", is written over a horizontal line.
