Thursday November 8th, 1883.

The Board, and pursuant to adjournment present the same.

In the matter of the hearing of the Petition of J. R. Wilkinson and others, argued and submitted, the following was adopted by the Board.

Whereas on the 6th of May, 1883, J. R. Wilkinson, E. B. Kelley and eighteen others presented their petition to the Board of Supervisors of Mariposa County, praying that the road hereinbefore defined, might be declared a public highway and made a county road for the reason that said road has been a traveled road for the last fifteen or twenty years upon which petitioner's freely proceeded, and that the same came on for hearing on the 6th of December instant before this Board, and which time certain of the petitions apperaud were referred to J. W. Longdon Esq., as counsel, and were examined as witnesses with other witnesses as they chose to produce and Antonio Lezana appeared to contest the same and was represented by L. A. Jones Esq., as counsel and was examined as a witness, together with other witnesses as he chose to produce, and whereas after a full hearing upon the merits and full argument by the parties, counsel, the Board after considering the evidence adduced by both parties, are satisfied that said road hereinbefore described is now a road actually used and enjoyed by the public, and has been continuously and distinctly held and enjoyed by the public as a highway for the past fifteen or twenty years before the filing of said petition and that said road by use and occupation has become and is a public highway, and that the same is necessary and proper for the public convenience.

It is therefore ordered by the Board, that the road specified in Township No. 1, Commencing at or near the residence of J. R. Wilkinson and running along the present county road from thence by said road, three paces, thence in a north-west direction to the residence of J. T. Fitzgerald, and from thence thence thence in a north direction until it meets the same present county road, thence from the residence of one Wilson, and following throughout the course of the present traveled road is a public highway by usage and abandonment to the public, and that the County Clerk of said Mariposa County is hereby ordered and directed to record the same as such.
And it further appearing to the Board that the said road alleged to be recorded as a public highway, passes in general portion and center direction across certain lands owned and possessed by said Antonio Caman, to wit: the South West Quarter of the North West Quarter and the West Half of the South West Quarter of Section 24, and the North Half of the South West Quarter of Section 17, as Tomsen No. 3 North, of township No. 1 East, Monte Diablo Range and Range, a distance of one and one fourth miles, more or less; and that the public convenience will be largely subserved if gates are established across said road at or near the northern and southern boundaries of said land, and that it is proper to avoid the necessity of building said fence on said land.

It is therefore further ordered, that four gates may be erected, established and maintained across said road at said northern and southern boundaries of said land by said Caman or for his benefit, in order to avoid the necessity of building said fence — Provided that the cost for the erection and maintenance of said gates shall be borne by the said Antonio Caman.

It is ordered that the County fencing will be paid for as follows:

- 1/2 square or less: first insertion — 1.00
- 5 to 10 squares: 0.80 each
- 10 to 20 squares: 0.70
- 20 to 50 squares: 0.60
- 50 to 100 squares: 0.50
- 100 or over: 0.50

Each subsequent insertion one half the foregoing rates.

Legal blanks will be paid for as follows:

- Whole blank, not to exceed 4 cts. each: 1.00
- Half blank: 0.50
- Quarter blank: 0.25

Excepting from the above all blanks required for the Superior Court.

Bills allowed — General Expenditure Fund:

- G.R. Horn, Sheriff’s Salaries: $51.00
- J. R. Leffler: 1,50
- J. L. Renner & Co.: 141.50
- C. W. Temple: 6.60
