NOTES

- Access to federal lands is subject to closure.
- Las Mariposas area sections are projected.
- Named roads do not reflect maintenance/use status.
- Not all historic sites and structures are displayed.
- Not every controlled access/locked gate, unnamed access road, or water source is shown.
- Parcel lines are not displayed at survey level accuracy.
- The regional forester and forest supervisors occasionally issue orders that restrict or close the use of certain areas if needed.
- Wild and Scenic River boundaries are approximate and are only displayed to the border of Yosemite National Park.

GRID AND LAND SURVEYS

	Detail Map Area		Township line
	Range line		Section

MINES AND CAVES

	Mine shaft		Prospect
	Mine tunnel or cave entrance		Quarry or open pit mine

HYDROGRAPHY AND RELATED FEATURES

	Intermittent creek or stream		Boat ramp
	Perennial stream or river		Dam
	Intermittent lake or pond		Dam footprint
	Lake/pond or major river		Hetch Hetchy Aqueduct
	Marsh or swamp		Marina
	Spring		
	Waterfall or rapid		

ROADS AND RELATED FEATURES

	State Highway		Local Road (paved/unpaved)
	County Route or Main Road YNP		Passing lane
	Major Collector Road* (paved/unpaved)		Bridge
	Minor Collector Road* (paved/unpaved)		

*Caltrans Functional Classification

OTHER

	Airport or landing strip		Spot Elevation
	Cemetery (public)		Town or Community
	Landmark		Trailhead
	Map note or information		
	Parking Area		
	Ski Lift
