This is the bill regarding the Joint Strike Fighter Project you voted to support at your February 17th meeting with the direction that I first determine the bill's status. The bill died in the Assembly on Third Reading on February 2, 1998. I will announce this during Public Comment on Tuesday, February 24th where you may provide further direction should you wish to. In the meantime, I will not draft a support letter for the Chair's signature pending your discussion on the 24th.
