RECOMMENDED ACTION AND JUSTIFICATION:

(Policy Item: Yes ___ No X)

Resolution authorizing construction of building additions at the Mariposa concession ballfield by the Mariposa Little League. A brief presentation of the proposed project plans will be made by staff for Board's review.

This project has been reviewed and approved by the Mariposa High School Maintenance Division. Public works supports this project. The project would be done in two phases. The first phase would include underground, grading, concrete slab, retaining wall and foundation. The second phase would include the balance of the project and Little League would acquire all necessary permits and materials. All labor and equipment would be donated by Little League.

The volunteers would be required to sign a Volunteer Statement that has been provided by County Counsel.

Scope of work:

- a) Install a retaining wall on the cut slope behind the existing building behind the backstop at the concession baseball field.
- b) Grade the area around the existing building.
- c) Install underground utilities to include electrical conduit, sewer system and drain lines.
- d) Construct a concrete pad which will cover the dirt area from behind the backstop to the retaining wall.
- e) Construct a two-story structure next to the existing single-level concession building for storage and game announcing.
- f) Reside and paint the existing structure.

This project is needed to correct the current deficiencies in and around the concession stand. This project will also provide additional needed storage area for sports supplies.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

This property, located at the high school, is leased by the County for use by Mariposa Little League and by the County Parks and Recreation Division for sporting events. The Board recently approved a batting cage project at Woodland Park by Little League.
