Resolution authorizing the purchase of three (3) computers (\$5,821) from EdTech (Mariposa, California), in accordance with available funding (line item 001-0212-517.06-76) by the Supplemental Law Enforcement Services Fund (SLESF) and Data Processing's bid assistance and review.

RECOMMENDED ACTION AND JUSTIFICATION: (Policy Item: Yes ___ No X)

Funding is available through the Supplemental Law Enforcement Service Fund (\$7,255). During the Mid-Year approval, a fixed asset line item was established by Resolution Number 98-77. Please be advised that Data Processing assisted the Criminal Division with obtaining bids (Dell, Gateway and EdTech) and recommending computer systems consistent with the needs of Mariposa County and the Criminal Division. EdTech located in Mariposa, California, provided the lowest bid proposal as supported by the attached price quotation dated May 22, 1998.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

The three (3) computers will be utilized by the Criminal Division to support the Prosecution Automation System by HTE, as well as daily computer support.

LIST ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

A negative action would result in unexpended SLESF funding (precluded from supplanting county general funds), as well as continued utilization of inadequate computer systems.
