RECOMMENDED ACTION AND JUSTIFICATION:
(Policy Item: Yes _ No _

Public Works recommends that the Board of Supervisors approve designating Whitlock Road as "East Whitlock Road" and "West Whitlock Road" with the dividing point at Sherlock Road.

Public Works received a request from a citizen to change the signing on Whitlock Road to distinguish East and West Whitlock Road due to conflicts with the addresses and concerns about emergency access.

The Post Office, Planning Department and the Assessor's office are currently using East and West Whitlock for addressing. Sherlock Road is being used as the dividing point for East and West Whitlock Road. Signing for East and West Whitlock Road would facilitate the U.S. Postal Service, emergency and delivery services.

If approved, Public Works will change the signing on the County Roads and request Caltrans to change the signing at Highways 49 and 140.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

The State Maintained Mileage System for Mariposa County lists Whitlock Road in three sections:

- Whitlock Road - Road Number 11 - from Hwy 49 North to Sherlock Road, 5.52 Miles.
- Whitlock Road - Road Number 11A - from Hwy 140 to Colorado Road, 2.5 Miles
- Whitlock Road - Road Number 11B - from Sherlock Road to Colorado Road, 2.4 Miles

The Board has taken similar actions in the past.

LIST ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

No action; road will remain named and numbered as listed in the Maintained Mileage System.

MEMORANDUM

TO: Mike Edwards, Director
FROM: Sarah Williams, Planning Manager
SUBJECT: East and West Whitlock Road

Attached is a copy of a letter from Sue Vilums. She's expressed her frustration and concern over confusion regarding "East" and "West" Whitlock Roads.

We have researched our "Official County Road Name Index" (issued by the County Assessor's Office). This index is used by the Assessor's Office for issuing addresses. As you'll note, the Index DOES list an East and West Whitlock Road. The location where the road name changes is near the intersection of Whitlock and Sherlock Roads.

Although Ms. Vilums states, "The Road Department considers Whitlock Road as just that, no East or West," based upon the information we found, signing the road East and West appears to be appropriate.

Could you please research this matter? Let us know if there is any additional information you need from this office.

Thanks.
