Re: Request for insurance coverage

On September 20 and 21 1997 the Joaquin Murrieta Committee will present the 4th annual Joaquin Murrieta Days Festival. Every year we get a bigger group of people attending. We try to keep the festival running on a historical event. This year's event will have our biggest little parade to start the weekend off then vendors in the park both days, entertainment, treasure hunt, dance, and much more.

We are again requesting that Joaquin Murrieta Days be included on the list of events covered by the County's blanket insurance policy for gatherings held in the public parks.

Our Committee works very hard at putting this festival on. In four years the money we have made goes back in to the next year's festival. Our Committee's goal has been to donate money to animal rescue groups and abandoned animals. This year we donated to the United Animal Nations located out of Sacramento Calif. During the floods of Jan 1 1997 they rescued and cared for over 850 animals. When we took over this festival we started with $150.00 we have done better, but still need some help. Since all moneys are made from fund raisers it is a long road between having and not having funds.

We are hoping you will achieve consensus on this matter very soon. This is the last event of the year for Coulterville and has proven to bring the tourist into town for the two day event which has helped the businesses in Coulterville.

The Joaquin Murrieta Committee
