PATH GRANT 1997-98

A. Enclosure V

B. PATH SERVICES DELIVERY SYSTEM:

The small amount of PATH Grant monies allocated will fund a .03 FTE clinical social worker to provide the following services within budget restrictions:

1. Screening and diagnostic treatment services
2. Community Mental Health Services
3. Case Management Services.
4. Referrals for Primary Health Services, Job Training, Educational Services and Appropriate Housing Programs.
5. One time emergency rental payments and security deposits.
6. Dual Diagnosis Services

C. PATH GOAL AND OBJECTIVES:

1. Goal:

To provide temporary assistance, one time rental payments and/or security deposits and psychiatric care to the homeless of our community.

Objectives:

- . Increase access for homeless to the Alcohol/Drug program thru awareness with local agencies and churches.
- . Provide case management services thru increasing transportation to the clinic.

2. Goal:

Reduce local homelessness due to loss of cash early in the month.

Objective:

Continue working with the Conservatorship office on establishing a County operated payee system.

D. PROJECTIONS AND MEASUREMENTS:

Six to seven additional clients will be served with the approximately \$1,359 from Path Grant and matching 33% from general funds. Costs will be initial diagnostic/assessment services, case management, and security deposits for housing for the homeless.

The effectiveness of this small grant will be measured by number of clients served, an increase in the number of homeless using mental health treatment and alcohol/drug services, diminished time living on the streets, decreased time in obtaining necessary and essential services such as food and housing.

E. ALTERNATE RESOURCES FOR PATH-SUPPORTED SERVICES:

Few, if any, homeless services exist in this community outside of this agency. Local social services and Manna House (a non-profit clothing and food service for homeless families) are the only other services available to the community. Often times these 2 services look to us to assist them. There is no rescue mission in the community. There is emergency housing for women and children affected by domestic violence, but time is limited in this facility.

F. DUAL DIAGNOSIS SERVICES:

Mariposa Counseling Center operates a joint mental health and alcohol/drug program within the same building. All mental health staff is well trained in substance abuse disorders and routinely consult with their alcohol/drug colleagues on a daily basis. Both staffs share general staff meetings and are supervised by a mental health clinician. In addition the alcohol/drug program has access to de-tox beds if needed to insure the medical care of a dual diagnosis client.

G. HOUSING/SUPPORT COORDINATION:

There currently is no rescue mission or residential program available for the homeless in our county. The County recently lost its Community Housing Coordinator and is in the process of deciding which County department will oversee the program. Planning for this year anticipates the case manager establishing a more formal relationship with the housing coordinator once that role is more established.

Efforts will be made with the new Community Housing Coordinator to assess their interest in developing alternative housing/or improvements to existing structures for mentally ill clients.

H. COORDINATION-OTHER PROGRAMS:

Mariposa Counseling Center has a long standing, effective working relationship with all the key agencies in the community and routinely refers and coordinates together around homeless clients. This natural, mutual need between agencies makes for an effective use of the agencies time and expedites services to the homeless. In addition the local Mental Health Director is the Director of Social Services making coordination smooth.

I. SUMMARY:

Mariposa Counseling Center's intent in applying for the Path Grant is to expand its limited resource base for the mentally ill and dual diagnosis clients; providing them with the necessary referral to health care, food, housing and to appropriate mental health and alcohol/drug treatment.
