RECOMMENDED ACTION AND JUSTIFICATION:

(Policy Item: Yes  No )

Adopt resolution (ATTACHMENT 1 ) approving application for \$ 30,000 of Environmental Enhancement & Mitigation Program (EEMP) funds and authorize the Public Works Director to execute application and assurances for the Mariposa Park Improvements Project

The application (ATTACHMENT 2) is for a roadside recreational project that partly mitigates the effect of the Highway 49 North continuous left turn lane project. A substantial match is advisable, given that there are many applications that offer match funds. Community involvement and County staff oversight of the projects are also included in the application. If the application is successful, staff will request additional local match, if necessary, from the Board in the FY 98/99 budget.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

On November 18, 1997, the Board approved a resolution approving of the placement of the skate park at the County Park. The Board also took action to support reconstruction of the park stage area. The County previously applied and was awarded EEMP funds (approximately \$ 260,000) for the Roadside Rest at Coakley Circle. That project was a mitigation for the Highway 140 continuous left turn lane by adding parking and trees to mitigate effects of extra pavement and parking loss along Highway 140. The Board approved two applications for EEMP funds November 1996: tree planting and acquisition of Mariposa Creek Parkway property. Neither were successful last cycle, partly because the related transportation project, the Highway 49 North left turn lane, was not yet constructed.

LIST ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

If the resolution is not adopted, the application will not be valid.
