RECOMMENDED ACTION AND JUSTIFICATION: (Policy Item: Yes \_\_\_ No X)

In the 1989/90 budget, numerous policy issues were presented for Board consideration. All of these issues were resolved with the exception of the ordinance for providing salary increases for the Board of Supervisors. This item brings back that policy issue for determination.

Consistent with Resolution 88-600, does the Board wish to adopt an ordinance providing for a salary increase consistent with a rate of 25% of the Superior Court Judge's salary? At the time the budget was prepared for FY 1990/91, this would have been equivalent to \$23,586 per year. As of January 1, 1991, the Superior Court Judge's salary is \$99,297, resulting in an annual salary of \$24,824 for the Board of Supervisors. If adopted effective April 1, 1991, the annual salary for the 1990/91 fiscal year would be \$21,198. This would be approximately a 6% increase.

**BACKGROUND AND HISTORY OF BOARD ACTIONS:**

Resolution 88-600 provides that the Board's salary will be calculated and proposed in the budget at 25% of the Superior Court Judge's salary. The Board must take action by resolution in implementing that percentage each year. In lieu of this process, the Board may establish an ordinance which provides that their salary shall be calculated based upon 25% of the Superior Court Judge's salary. Through that mechanism, the State legislature would in effect set the Board's salary. Sufficient funds are budgeted to provide this salary increase for FY 1990/91.

**LIST ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:**

- 1. Determine to adopt an ordinance setting the Board's salary.
- 2. Determine not to adopt an ordinance and implement the salary by resolution.
