RECOMMENDED ACTION AND JUSTIFICATION: (Policy Item: Yes ___ No x)

Adopt a resolution approving the road name "Foxfield Lane". Condition No. 8 of LDA #1355, requires the applicant to name the subject easement. The road name is consistent with the road naming requirements of County Resolution No. 92-541 and a majority of the property owners served by the road approve the road name request. The applicant states that this is an appropriate name while there are many foxes located in this area. Staff concurs with the applicants' justification. Also, this is not a duplication of an existing road name.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

The Board adopted Resolution No. 92-541 in 1992 establishing criteria for naming non-County roads. Generally, road names shall be developed around some historical, botanical, zoological or geological significance as they directly relate to Mariposa County. All property owners served by the road must be notified and a majority of the property owners must approve of the road name request.

LIST ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

- 1) Continue matter;
 - 2) Deny road name request;
- (Negative action would deny requested road name and the applicant would be unable to complete Condition No. 8 required for LDA #1355. An alternative name would have to be proposed by the applicant and approved by the Board of Supervisors to complete the required condition for the land division.)
