SUBJECT: Request by the Mariposa Tennis Club for Group Use
of the Tennis Courts at Mariposa Park

On January 14, 1995, I received a letter from the Mariposa Tennis Club (MTC) requesting approval of organized, group use of the Mariposa Park tennis courts. After I received MTC's request, I contacted several parks and recreation departments for their policy regarding group use of public tennis Courts. The results of my inquiry were mixed: some departments allow group play subject to certain conditions and others prohibit group play. I think it important to note however, that Mariposa County does not have private tennis clubs and courts which are generally available in larger communities.

Itemized below are the specific MTC requests and my recommendations including conditions.

- 1) MTC organized club play on Tuesdays, Thursdays, and Saturdays from 9:00 AM - 12 Noon.

Recommendation: Approval subject to the condition that one court shall remain open for general public play (current County policy).

- 2) MTC events such as Team Tennis, round robin and singles tournaments, etc. from 9:00 AM - 12 Noon on twenty Saturdays from March 4, 1995 through November 4, 1995.

Recommendation: Approval subject to the "one court open" policy discussed above and insurance that meets the approval of the County Counsel.

- 3) MTC request to provide free beginning adult instruction for the United States Tennis Association "Play Tennis America" program on one court from 12:00 Noon - 2:00 PM on Saturdays.

Recommendation: Approval subject to approval of insurance coverage and with the additional condition that all interested instructees 18 years of age or younger (except children of parents participating in the Play Tennis American program) shall be referred to the ongoing youth tennis instruction program sponsored by Mariposa County Parks and Recreation (and approved by the Board in 1988).

- 4) MTC request that Mariposa County Parks and Recreation sponsor the proposed USTA Play Tennis America Program.

Recommendation: DO NOT approve sponsorship since the Play Tennis America program is a tennis equipment marketing program as well as an instruction program. However, Parks and Recreation staff would make available to the public information on the PTA program provided by MTC.

I further request that you inform both organized users of the Mariposa Park tennis courts (MTC and youth instruction) that instruction and organized Club play at the tennis courts is a privilege granted by the County. As a condition of approving these privileges, the Board of Supervisors expects all organized users to cooperate fully with each other, the Parks and Recreation Department, and the general public.

Thank you very much for your consideration of this matter.
