Public Works recommends adoption of the attached Resolution incorporating Program Supplement No. 013 into the Local Agency- State Agreement for Federal Aid and authorization for the Public Works Director to sign the Agreement. This provides estimated funding of \$49,600 (80%) for the design of this bridge replacement project on Indian Gulch Road at Bear Creek. The remaining costs will be paid by the Road Fund.

This work is an HBRR (Highway Bridge Replacement and Rehabilitation) Project funded under Federal Aid # STPLHG-5940(001). This is one of the four projects approved by Caltrans in September, 1994. We are currently negotiating with Merced County for assistance in design and environmental investigations.
