RECOMMENDED ACTION AND JUSTIFICATION: (Policy Item: Yes___ No_x)

Public Works requests that the Board of Supervisors declare the attached list of items from various County departments as surplus. A public auction of these items is scheduled for Saturday, May 20, 1995, at 10:00 a.m. at the Public Works facility on Ben Hur Road. All County departments will be able to select surplus equipment on May 17 and make appropriate transfer arrangements as required. Public viewing will be on May 18 and 19.

The auction will help generate much-needed capital in this time of tight budgets and eliminate the build-up of outdated or excess equipment.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

In order for County property to be sold at auction, the Board must first declare the items as surplus. The County has disposed of surplus items in the past by auction and sealed bid sales. The auction has been the most successful means of sale.

LIST ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

1. Do not declare the items as surplus. Do not auction items and continue to hold for disposition at a later date.
2. Declare only a portion of the items listed as surplus and sell per the Board direction.
