SUBJECT: DON PEDRO ELEMENTARY SCHOOL PARENT CLUB YOUTH
SUMMER RECREATION PROGRAM

Attached please find a letter from Nancy Pezzi, President of the Don Pedro Elementary School Parent Club requesting consideration of insurance coverage for a summer recreation program for the month of August, 1995.

Apparently, the Mariposa County Unified School District insurance coverage is only valid when school is in session. In addition, Tuolumne County has been contacted regarding their interest in sponsoring or co-sponsoring this program. I will continue to pursue alternative or joint sponsorship of this program.

Should you approve sponsorship of this youth recreation program, I would like you to consider the following conditions:

- (1) The parent(s) or legal guardian of each participant shall execute a County Release of Liability form.
- (2) Transportation shall be prohibited unless approved by the HCDA Director.
- (3) The Sheriff Department shall conduct an informal background review of the parent volunteers.
- (4) The program activities shall be developed in consultation with the Parks and Recreation Division.

Thank you for your consideration of this request.

Dear Mr. Evans,

My name is Nancy Pezzi. I am the President of the Parent Club at Don Pedro Elementary School. I am writing you in regards to starting a summer recreation program for the students at our school. As you know, we are far away from the majority of activities put on by the Mariposa Parks Department. The only place the children in the area have to go during the summer are one of the lagoons or pool areas. There are no other programs available to them.

The Parent Club would like to start a recreation program for this area. We have several parents that have been scout leaders, and have also run day camps for those groups. This would be a program run by parent volunteers and would meet with every safety factor. We are looking at having a ratio of 1 parent for every 10 children. This program would be held at the Elementary School, Monday through Thursday from 9:00 a.m. - 1:00 p.m. during the month of August. It will be available to children entering the Elementary School for the 95-96 year. We are planning on having arts and crafts, supervised game activities and an all around good time for the children in our area. We will not be taking any field trips. We will not be providing any transportatation.

The only thing stopping us at this point is the lack of insurance. Our coverage with the school is only when it is in session. It would be a great help if Mariposa County would put us on their insurance for this time period.

Thank you for your consideration in this matter. If you have any questions regarding this recreation program please feel free to call me at 378-2310. We are looking forward to hearing from you.

Sincerely,

Nancy Pezzi
