RECOMMENDED ACTION AND JUSTIFICATION: (Policy Item: Yes__ No X)

Resolution approving and authorization for the Director of Public Works to execute an agreement with Evergreen Environmental Services (Evergreen) to collect waste motor oil and used oil filters from County facilities.

The County has been using Evergreen to collect its waste motor oil and used oil filters for a number of years without any formal agreement. To correct this situation, informal bids were requested from three State-certified recyclers with Evergreen quoting the lowest price.

No additional funding is needed. Payment for the pick up of used motor oil and filters will come from the Solid Waste Enterprise and Fleet Maintenance operating budgets. The 1995/96 estimated expense for Solid Waste is \$750 and Fleet Maintenance is \$540 (Solid Waste currently pays all costs).

BACKGROUND AND HISTORY OF BOARD ACTIONS:

The Board has approved the use of the informal bid process in the past.
