RECOMMENDED ACTION AND JUSTIFICATION: (Policy Item: Yes X No)

Public Works recommends that the Board of Supervisors adopt the attached resolutions clarifying the sign standards for zone of benefit roads to the Mariposa County Road Improvement and Circulation Policy as Section III.A.5., and to the Mariposa County Improvement Standards, as Section 11.5 (D)(1)(d).

BACKGROUND AND HISTORY OF BOARD ACTIONS:

On August 9, 1988, the Board adopted the Mariposa County Improvement Standards to establish standards for the construction of access roads for subdivisions and other development projects. Recently, there has been a request for more specific direction regarding signing for County-administered zone of benefit roads. Current practice has been to require: "This road is not County maintained". However, this is misleading and inaccurate. A clarification eliminating this sign for County-administered zone of benefit roads will clear up this problem.

LIST ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

If this resolution is not adopted, access roads for subdivisions and other development projects may have misleading signs when they are maintained through a County-administered zone of benefit.
