RECOMMENDED ACTION AND JUSTIFICATION: (Policy Item: Yes___ No_x)

Public Works recommends the Board authorize the purchase of three (3) new 1995 Chevrolet Caprice Police Sedans through a "tag-on" to the Los Angeles County Police Department, Bid No. R-248, awarded to Wondries Chevrolet. This allows Mariposa County to purchase at a significant cost savings through a volume discount. The cost of the vehicles is approximately \$19,738.00 each including tax. These cars have been tentatively reserved pending Board approval because of the November 15, 1994 cut-off date noted on page 2 of the specifications.

Cost of any emergency equipment will be in addition and will be brought to the Board at a later date. We will try to utilize as much of the current equipment as possible.

These new vehicles will replace patrol vehicles S. O. 36, a 1987 Chevrolet sedan with 120,000 miles, S. O. 52, a 1991 Chevrolet sedan with 130,000 miles and S. O. 56, a 1991 Chevrolet sedan with 130,000 miles. These vehicles will be sold at auction in the spring.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

The Board has previously approved purchases through a tag-on with other county bids for greater savings to Mariposa County. This process has allowed Mariposa County to save several thousands of dollars because of the large-volume buying power of tag-on bids.

LIST ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

1. Do not authorize the "tag-on" purchase and go through the formal bid process. Prices will be higher and availability questionable. Manufacturer's cut-off for these cars has been changing weekly according to the dealers. Current cut-off is January 5, 1995.
