RECOMMENDED ACTION AND JUSTIFICATION: (Policy Item: Yes___ No_X)

Public Works recommends that the Board of Supervisors waive the formal bid process and authorize the purchase of two (2) police sedans (Bid Number PW 92-08) through a "tag-on" to the Los Angeles County Police Department Bid #T-337 awarded to Sopp Chevrolet. This allows Mariposa County to purchase at a significant cost savings through a volume discount. The total cost for the two sedans is \$34,268.52, including taxes and emergency equipment. These will replace two wrecked vehicles (S.O. 37 and S.O. 46) which will be sold for scrap.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

The Board approved a "tag-on" bid for police sedans on the Los Angeles County Police Department bid under Board Resolution Nos. 91-406 and 91-497 on August 27, 1991 and October 15, 1991. Previous requests for quotations were advertised and rejected by the Board.

LIST ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

Do not authorize waiver of formal bids and advertise for formal bids. Additional costs and time for administering the bids would result. The bids would likely be much higher for only two vehicles than the "tag-on" cost, based on previous experience.
