RECOMMENDED ACTION AND JUSTIFICATION: (Policy Item: Yes___ No_x)

The Department of Public Works is requesting that the Board of Supervisors declare the attached list of items from various County departments as surplus. A public auction of these items is scheduled for Saturday, May 22, 1993 at the Public Works facility on Ben Hur Road. All County departments will be able to select surplus equipment on May 18th and make appropriate transfer arrangements as required.

This auction will help generate much-needed capital in this time of tight budgets and eliminate the build-up of outdated or excess equipment.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

In order for these inventories to be sold at auction, the Board must first declare the items as surplus. The County has disposed of surplus items in the past both by auction and sealed bid sale.

LIST ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

1. Do not declare the items as surplus. Do not auction items and continue to hold for a later date.
2. Declare only a portion of the items listed as surplus.
