RECOMMENDED ACTION AND JUSTIFICATION: (Policy Item: Yes ___ No ___)

Recommend creation of permits for well destruction to comply with County Ordinance Section 13.16.040. Recommend no fee for processing or issuing this permit since a fee would create a bureaucratic "hurdle" to a process which is beneficial to the public's health , but costly to the property owner.

Recommend that the Board decision not to charge a fee for Greywater permits be extended also to the processing of the permit.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

The Board previously adopted Well Ordinance 802.

The Board previously adopted Greywater Ordinance 809.

LIST ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:
