RECOMMENDED ACTION AND JUSTIFICATION: (Policy Item: Yes ___ No X)

Award the contract for the Hornitos Park Well, Public Works Project No. 92-39 to Yosemite Falls Well Drilling and authorize the Chairman to execute the Contract.

Public Works recommends that the base bid plus Alternatives # 6, 8 and 10 be approved for a total Contract amount of \$10,450, which will provide the minimum necessary improvement within the available budget.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

The existing well in Hornitos that serves the Hornitos Park and Golden Stag Hall has become contaminated with bacteria, and remedies to disinfect it have failed.

Resolution No. 93-273 adopted the expenditure of Capital Improvement Project Funds, not to exceed \$11,500, for the installation of a new water well for the Golden Stag Hall. The Hornitos Patrons Club has committed \$750 towards the project. In the 93/94 budget hearing, the Board approved an additional \$3,250 from the Parks Development fund to cover the entire project amount of \$15,500.

LIST ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

If the well is not provided, water will not be available to the drinking fountain in the park, the lavatories in the park restroom, or the Golden Stag Hall.
