ATTEST:

ELLEN BRONSON, County Clerk and
Ex-Officio Clerk of the Board

SECTION 1. Pursuant to the provisions of Section 25210.9c of the Government Code the Board of Supervisors of Mariposa County may advance monies to Mariposa County Service Area # 1, provided that:

1. Such monies shall be reimbursed to Mariposa County over such period of time, not to exceed 40 years, as may be determined by the Board of Supervisors;
2. The interest rate on such monies shall be determined by the Board of Supervisors, but shall not exceed 5 percent; and
3. Mariposa County Service Area # 1 shall use such monies solely for expenses incurred in connection with the construction of facilities for collecting, treating and disposing of sewage from such service area.

SECTION 2. The Legislature finds and declares that the territory with Mariposa County Service Area # 1 has severe public health problems because it lacks adequate sewage collection, treatment and disposal facilities; that such territory has unusually low assessed value and per capita income, thus making impracticable traditional methods of funding such facilities; that the only practicable method for funding such facilities is through a long-term, low interest loan from Mariposa County to Mariposa County Service Area # 1; that the unique combination of circumstances which exists within Mariposa County Service Area # 1 makes a general statute inapplicable to this situation; and that therefore this statute is enacted in order to provide Mariposa County Service Area # 1 with the ability to fund needed facilities for sewage collection, treatment and disposal.

SECTION 3. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting such necessity are:

In order to alleviate existing public health problems and to provide for the construction of needed facilities for sewage collection, treatment and disposal as soon as possible, it is necessary for the statute to go into effect immediately.
