RESOLUTION OF THE BOARD OF SUPERVISORS OF THE COUNTY OF MARIPOSA REQUESTING STATE LEGISLATION WHICH WILL PROVIDE EFFECTIVE PROPERTY TAX REDUCTION

WHEREAS, the property tax payers, of the State of California have over the years absorbed the great increases in taxation as a result of newly created and state mandated program, and;

WHEREAS, the taxpayers have absorbed such increased taxation as being in the best interest and growth of the local jurisdictions and the State of California as a whole, and;

WHEREAS, the property tax payer has been promised property tax relief in the past session of State legislature and in this regard the Board of Supervisors, have expended great effort in the support of Assembly Bill 149, and;

WHEREAS, this approach to property tax relief was not acceptable to the various political segments of the State legislature;

THEREFORE, BE IT RESOLVED, that the Board of Supervisors of the County of Mariposa desire to suggest an approach to property tax relief which would be equitable to all concerned;

BE IT FURTHER RESOLVED, that since the major source of the revenue to support government is the property tax, income tax and sales tax, that the Legislature of the State of California consider the increase of the sales tax and the state income tax, and such increased revenue be returned to the local government to relieve the overburdened property tax payer. It is recognized that the sales tax is a burden on the low income earner and the income tax on the higher income earner, therefore, this approach would appear equitable to the various segments of our society.

BE IT FURTHER RESOLVED, that a copy of this resolution be sent to the Governor of the State of California, Senator Way, Assemblyman Chappie, Senator Miller and Assemblyman Unruh, and the County Supervisors Association of California.
