

1 BOARD OF SUPERVISORS - COUNTY OF MARIPOSA

2 RESOLUTION NO. 68-81

3 WHEREAS, The County of Mariposa and other counties in Calif-
4 ornia are continuing to experience a dramatic increase in welfare
5 costs and programs well above other growth factors such as popula-
6 tion, assessed valuation, cost of living, and local government
7 budgets; and

8 WHEREAS, it is obvious that federal and state legislative
9 action authorizing new programs and liberalization of existing
10 programs which inevitably result in additional funding responsibility
11 by county government is the primary cause for the burgeoning of our
12 costs; and

13 WHEREAS, federal and state administrative regulations estab-
14 lishing standards for staffing, work and caseloads, space, office
15 layouts, records and reports contribute to the spiraling spending
16 for welfare; and

17 WHEREAS, the State Assembly Committee on Social Welfare is
18 just beginning a study on the problem of welfare costs with special
19 emphasis on possible improvement of administrative procedures with
20 the objective of remedial legislation to be proposed in the 1969
21 session of the legislature;

22 NOW, THEREFORE, BE IT RESOLVED that the Board of Supervisors
23 of Mariposa County, by unanimous action of all supervisors present,
24 hereby requests and recommends that the County Supervisors Asso-
25 ciation of California support and seek action by the State legisla-
26 ture to provide a new plan for funding welfare programs and costs
27 that would guarantee revenue sufficient to offset all cost increases
28 over and above a proportional amount directly related to population
29 growth, using 1970 as the base year.
